NOTICE OF SPECIAL MEETING

A SPECIAL MEETING OF THE CHARLOTTESVILLE CITY COUNCIL WILL BE HELD ON Monday, August 20, 2012, AT 6:00 p.m. IN THE Second Floor Conference Room.

THE PROPOSED AGENDA IS AS FOLLOWS:

Closed session as provided by Section 2.2-3712 of the Virginia Code

BY ORDER OF THE MAYOR BY Paige Barfield

SECOND FLOOR CONFERENCE ROOM – August 20, 2012

Council met in special session on this date with the following members present: Mr. Norris, Mr. Huja, Ms. Szakos, Ms. Smith, Ms. Galvin.

On motion by Mr. Norris, seconded by Ms. Galvin, Council voted, (Ayes: Mr. Huja, Ms. Szakos, Mr. Norris, Ms. Galvin; Noes: None; Absent: Ms. Smith), to meet in closed session for (1) Discussion and consideration of the acquisition of real property right-of-way and associated easements on Jefferson Park Avenue for the Old Lynchburg Road improvement project, and real property on 11th Street, N.W. for public parks and recreation use, and discussion of the disposition of City-owned real property in the 800 block of Preston Avenue, where discussion in an open meeting would adversely affect the City's bargaining position or negotiating strategy, as authorized by Va. Code sec. 2.2-3711 (A) (3); and, (2) Discussion and consideration of prospective candidates for appointment to City boards and commissions, as authorized by Va. Code sec. 2.2-3711 (A) (1).

On motion by Ms. Szakos, seconded by Ms. Smith, Council certified by the following vote (Ayes: Mr. Huja, Ms. Szakos, Mr. Norris, Ms. Galvin, Ms. Smith; Noes: None), that to the best of each Council Member's knowledge, only public business matters lawfully exempted from the open meeting requirements of the Virginia Freedom of Information Act and identified in the motion convening the closed session were heard, discussed or considered in the closed session.

COUNCIL CHAMBERS – August 20, 2012

Council met in regular session on this date with the following members present: Ms. Galvin, Mr. Huja, Ms. Smith, Mr. Norris and Ms. Szakos.

ANNOUNCEMENTS

Mr. Huja announced that Mr. Thomas Taylor, principal at Charlottesville High School, received the Outstanding Principal Award from the Curry School of Education. Mr. Taylor thanked Council for the recognition and said the students and teachers deserve the credit.

Ms. Szakos read a proclamation in honor of Women's Equality Day, which is on August 26, 2012. Ms. Tannis Fuller was present to accept. Ms. Kobby Hoffman was also present.

Ms. Szakos announced the first day of school is this Wednesday, and she urged citizens to use caution during the morning and afternoon commutes. She also announced the beginning of Charlottesville Albemarle University of Virginia CERT Training, starting September 13. Call 971-1263 or go to www.charlottesvillecert.org for more information.

Ms. Smith said the 2nd Annual Charlottesville Promise Gala is September 22 at the Paramount. Go to www.cvillescholarship.com for more information.

Mr. Norris said the Charlottesville Police Department honorary dinner will be September 22 at the Omni.

On motion by Mr. Norris, seconded by Ms. Smith, the following appointments were made to Boards and Commissions: Ms. Kimberly Garrison to the HAC and Tamyra Turner to the JMRL Board. (Ayes: Mr. Huja, Ms. Szakos, Mr. Norris, Ms. Galvin, Ms. Smith; Noes: None.)

MATTERS BY THE PUBLIC

Ms. Naomi Roberts, 1140 St. Clair Ave, said goats in the city are a problem because of noise and their appearance. She distributed pictures to Council.

Mr. Paul Long, 1410 Grady Ave., said the Transit Riders Association support route changes that will increase coverage. He suggested Council and the Transit Director come to their next meeting to hear comments about their recommendations for the transit system.

Ms. Nancy Carpenter, 727 Denali Way, said issues surrounding the downtown mall are about homelessness, not about bad behaviors. She said measures being discussed, particularly interdiction, are overly punitive. Peaceful coexistence is needed on the mall.

Mr. Hardy Whitten, 2521 Woodland Dr., requested item k on the consent agenda regarding CAT route adjustments be postponed in order to allow for the Acting Transit Director to have further discussions with neighborhood associations.

Ms. Valerie Long, 321 E. Main St., Ste. 400, said she is speaking on behalf of the Sigma Chi fraternity house. She assumed there had been a meeting with neighbors and representatives of fraternity houses, and that has not occurred. She asked Council to postpone implementation of the ordinance to allow for the opportunity for a roundtable discussion on this matter.

Ms. Ladi Carr, 39 University Cir., said this past year was one of the worse in the neighborhood for noise, vandalism, public drunkenness and trash. The neighborhoods approached University representatives and members of the Fraternity Council. They were told rental homes are not under the University's purview, and they have been since working with Mr. Tolbert and Dave Chapman. She distributed graphs to Council showing how many calls were received over the past year. She encouraged Council to pass the ordinance change.

Ms. Mary Carey, 500 S. 1st St., PHAR intern and president of Crescent Halls, said they were supposed to have a CRHA meeting on July 24 in Chambers to discuss problems with housing, which was never called to order. Vice Mayor Szakos was present and pitched the City of Promise project. She said it was very confusing, and she thinks Ms. Szakos pushed through her project unfairly.

Ms. Lorrie Delehanty, 645 Evergreen Ave., thanked Council for voting not to add chloramines to the water supply. The Four Boards decision reaffirmed people's belief in the democratic process.

Mr. Martin Killian, 34 University Circle, resident for 30 years, said he likes living among students. However, in the last 24 months, increased noise, vandalism, and partying have detracted from his family's quality of life. He asked students to obey the rules as citizens, and act as good neighbors. The neighborhood is under stress, and Council must take action.

Mr. Dan Friedman, 1835 University Circle, resident for 33 years, said something must be done about noise ordinance infractions. If the University administration were working with the neighbors, they would not have to be here tonight. They have been told that if they have problems with UVA students, they should call the police. The parties have become dangerous, and the neighbors need the City's help.

Ms. Jeanne Chase, 223 Old Lynchburg Rd., gave a recount of the Old Lynchburg Road project. She asked Council to shorten the window of time they allow for neighbors to respond to requests.

Ms. Lisa Green, 216 Chestnut St., thanked Council for their support and attendance at Saturday's Bike Walk Play JPA event. She said a new group has formed,

Charlottesville Pride, which will create a visible and unified LGBT community, one of the only communities not protected under law. There will be a *Charlottesville Pride* event on Saturday, September 15 in Lee Park from 2:00 – 6:00 p.m. She asked Council to consider in-kind support.

COUNCIL RESPONSES TO MATTERS BY THE PUBLIC

Mr. Norris said nothing will be finalized tonight on the noise ordinance. There is time for more public engagement before a vote will be taken. He thanked Ms. Chase for her continued vigilance and work in moving the Old Lynchburg Road project forward. He said he supports Ms. Green's event and would like to provide in-kind support from the City. He said Ms. Carey made some unfortunate allegations against Ms. Szakos that he believes were the result of a misunderstanding.

Ms. Smith said the transit issue and the noise ordinance needed more communication. She thanked citizens who dedicate their time.

Ms. Szakos said she lives in Ms. Roberts' neighborhood and has not heard about the goats. She said being a good neighbor is important. She said to Mr. Long that more participation in neighborhood meetings is part of our plan. She said she was sorry there was a misunderstanding about the CRHA meeting event. She said she supports the *Charlottesville Pride* group and is pleased that the mayor and other Councilors will be present.

Ms. Galvin said she appreciated Ms. Delehanty's gratitude. She would love to see more occasions where the boards agree.

Ms. Huja said he appreciates hard working citizens. He also said he supports the *Charlottesville Pride* group.

CONSENT AGENDA

Ms. Smith requested item k and item n be removed. Ms. Galvin requested item i be removed. She also confirmed that $20,032.74 was available for the current fiscal year from item d. Mr. Jones said it was.

On motion by Ms. Smith, seconded by Ms. Szakos, the following consent agenda items were approved, with the exception of the above mentioned items: (Ayes: Mr. Huja, Ms. Szakos, Mr. Norris, Ms. Galvin, Ms. Smith; Noes: None.)

a. Minutes for July 2
b. APPROPRIATION: Community Attention Youth Internship Program - $10,000 (2nd reading)
c. APPROPRIATION: Virginia Department of Criminal Justice Services

		Neighborhood of Promise Grant- $97,500 (2nd reading)
d.	APPROPRIATION:	Workforce Development Programs & Carryover Funding for FY 2013 – Re-Appropriate $20,032.74 and Transfer ~~$3,072.50~~ $3,214.50
e.	APPROPRIATION:	Virginia Juvenile Community Crime Control Act Grant (VJCCCA) - $452,704 (carried)
f.	APPROPRIATION:	Charlottesville/Albemarle Adult Drug Treatment Court Grant Award - $182,500 (carried)
g.	APPROPRIATION:	Feed Your Mind National League of Cities/Wal-Mart CHAMP Grant - $55,470 (carried)
h.	APPROPRIATION:	Check and Connect Student Engagement Grant - $75,000 (carried)
i.	~~RESOLUTION:~~	~~Revisions to Architectural Design Control District Guidelines (1st of 1 reading)~~
j.	RESOLUTION:	Special Use Permit at 218 West Water Street
k.	~~RESOLUTION:~~	~~Approval of Charlottesville Area Transit (CAT) Route Adjustments (1st of 1 reading)~~
l.	RESOLUTION:	Acquisition of Fry's Spring Beach Club Property – Old Lynchburg Road Project
m.	ORDINANCE:	Closing Laurel Street (2nd reading)
n.	~~ORDINANCE:~~	~~Change to Penalty for Violation of Noise Ordinance (1st of 2 readings)~~

PUBLIC HEARING/ORDINANCE: SALE OF PROPERTY TO FRY'S SPRING BEACH CLUB – OLD LYNCHBURG ROAD PROJECT (carried)

Mr. Tolbert presented to Council.

The public hearing was opened. Having no speakers, the public hearing was closed.

On motion by Mr. Norris, seconded by Ms. Smith, the ordinance carried.

PUBLIC HEARING/RESOLUTION: PRIORITIES FOR CDBG PROGRAM YEAR 13-14

Ms. Thackston presented to Council. Following the public hearing, staff is asking Council to make the following decisions: set priorities for CDBG & HOME programs, determine if a priority neighborhood should be designated, determine if CDBG funds should be set aside for economic development, determine the percentage for social programs, administration and planning (capped by HUD at 20% of the total CDBG budget), and any other guidelines or directions Council may wish to give in determining how CDBG and HOME funds should be spent.

Ms. Szakos clarified how economic development funds are set aside for projects. Mr. Norris clarified how funds could be allocated for existing programs. Mr. Huja asked how much the 15% dollar amount was. Ms. Thackston said it was close to $70,000. Ms. Smith asked what CDBG funds have been used for. Ms. Thackston explained expenditures on infrastructure projects around the Cherry Avenue corridor.

The public hearing was opened.

Mr. Brandon Collins, 536 Meade Ave., said fund reductions for these projects are due to war funding. He cautioned Council against putting too much money towards small business incubators, which do not create a lot of jobs. New businesses should be hiring ex-offenders.

Having no further speakers, the public hearing was closed.

Mr. Huja said he supports following staff's recommendations.

Ms. Galvin said there is no decision or business plan yet on Green Dot. She updated citizens on the activities of the effort, which is committed to changing equity in the community.

Ms. Smith said she supports Fifeville for the third year, but this money should go towards affordable housing. The AHIP/LEAP collaboration serves several purposes and should be a priority. She is concerned that often City residents do not move into new affordable housing units when they are built.

Ms. Szakos asked Ms. Thackston to explain the difference between CDBG and HOME. Ms. Thackston clarified that infrastructure comes from CDBG so HOME funds are available for housing projects. Ms. Szakos said she supports AHIP/LEAP initiatives.

Mr. Norris asked for clarification on funding for housing vouchers.

Mr. Huja said he supports Fifeville for the third year. Economic development leads to jobs. He supports 15% for social programs and 20% for administration.

Ms. Galvin said she strongly advocates for the use of money for economic development. Studies show that we must create a job for every affordable housing unit we provide. We do not have skilled labor.

Ms. Szakos said educational equity, housing, and jobs are the top three needs that come up repeatedly for citizens. We need to pay special attention to economic development in our neighborhoods.

Mr. Norris said little money from creation of small business programs trickles down to low income families. We have to invest more in jobs and economic opportunity. We need to make sure we are helping people who these programs are supposed to target.

On motion by Mr. Huja, seconded by Ms. Szakos, the resolution passed as amended below. (Ayes: Mr. Huja, Ms. Szakos, Mr. Norris, Ms. Galvin, Ms. Smith; Noes: None.)

BE IT RESOLVED by the Council of the City of Charlottesville, Virginia that the priorities and spending allowances for FY 2013-2014 shall be as follows:

- Council's priorities for the CDBG and HOME program for FY 13-14 shall be workforce development, construction of new affordable housing and rehabilitation.

- For FY 13-14, the set aside for Economic Development shall be any CDBG funds remaining after distributions to Priority Neighborhood, Social Programs, and Admin and Planning

- For FY 13-14, the Priority Neighborhood shall be Fifeville and the allocation amount shall be $200,000.

- The CDBG Admin and Planning budget shall be set at 20% of the total entitlement.

- The Social Programs budget shall be set at 15% of the total entitlement.

REPORT: RWSA QUARTERLY UPDATE

Mr. Tom Frederick presented to Council. RWSA is moving forward with granular-activated carbon as a way to meet stage two EPA requirements. He updated Council on South Fork Reservoir Dredging, including recent RFP results. The committee hopes to have recommendations in October. He gave an update on the progress of the new Ragged Mountain Dam and Mitigation Plan. The Moore's Creek Advanced Wastewater Treatment Facility was recently dedicated.

Ms. Smith asked if RWSA is planning on using Hazen-Sawyer's suggestions to optimize the system regarding GAC as referred to in the report. Mr. Frederick said point of chlorination is costly to move. Ms. Smith asked if there was an obligation to accept the one dredging proposal RWSA has received. Mr. Frederick said there is not. Ms. Smith asked if the bond allegation order states that only revenue will be used as collateral for the bonds. Mr. Frederick said revenue will be used pursuant to the bond issuance, which has been supported by a court order.

Mr. Norris asked for a status report on the Ragged Mountain Natural Area and how many acres have been cleared to date. He asked if there are pictures of the impacts available. Mr. Frederick said this area is closed to the public during construction. Mr. Norris asked if there is an objection to taking photos of the area and sharing them with the public. Mr. Frederick said we have a very good relationship with our contractor, and

the City's stipulations have been followed rigorously. The site will look like a natural area again once completed. Mr. Norris asked for clarification on why only one of the three dredging bids were acceptable, and if RWSA has the legal authority to bring all three bids forward. Mr. Frederick said he is not legally permitted to discuss the details, but bids had to follow clearly defined guidelines.

Mr. Norris asked for an update on the engineering work on the pump station. Mr. Fredrick said preliminary engineering plans will be completed shortly and will move to a final design.

Ms. Smith asked Mr. Brown to provide information on the collateral issue.

REPORT: HUMAN RIGHTS TASK FORCE UPDATE

Mr. Jesse Ellis, Chair of the task force, presented to Council on behalf of the Human Rights Task Force. Ms. Dorenda Johnson, Co-Chair, was also present.

Mr. Ellis reviewed Council's charge, task force members, accomplishments to date, and the way ahead. The task force will develop a recommendation by the end of December.

Mr. Norris asked if localities have examined a cost-sharing effort using existing staff to make services more accessible to residents in the community.

Ms. Smith asked if calls are the most effective way to receive feedback from the community. She asked if the task force is getting a sense for whether or not there is a problem. Mr. Ellis said they are still gathering information and cannot speak to that at this time.

Ms. Szakos said having a task force could make things less contentious when a report is filed. Mr. Ellis said they have examined models with training and education components, not simply enforcement.

Ms. Galvin asked where issues have been concentrated. Mr. Ellis said most complaints have been discrimination complaints in general.

REPORT/ORDINANCE: APPLICATION FOR PUD REZONING – LOCHLYN HILL (carried)

Mr. Mike Smith presented to Council.

Ms. Smith asked if it is possible to buy off the affordable housing requirement with the current proffer. Mr. Smith said it was not.

Mr. Huja said he thinks this is a good opportunity.

Ms. Szakos said she appreciated the piece added about affordable housing, and the developer has shown commitment to the community. She said she is concerned that because it is on the border between the City and the County, a development with one entrance will struggle with a mixed City/County community. She asked staff to explore a boundary adjustment in order to keep the development all in one locale.

Mr. Jones said there are preliminary discussions underway.

Ms. Galvin said this is an excellent project, and she appreciated staff's efforts in response to the Locust area neighborhood plan. She said she would rather keep the better pedestrian accessibility the City allows rather than giving it up to the County.

Ms. Smith said she is concerned there are houses being built in the flood plain. This negatively impacts our streams and rivers.

Mr. Norris said he supports the PUD, and there has been a lot of good work on pedestrian activity. He said the creative loan structure is positive. We should be proactively engaging with the community and developers to improve access to housing and integrate public housing into market rate neighborhoods. We need to figure out how to engage with developers to de-concentrate poverty.

Ms. Galvin said the HAC has worked on achieving measurement tools for putting truly mixed income housing in place.

On motion by Ms. Szakos, seconded by Mr. Norris, the ordinance carried.

REPORT: DOGWOOD HOUSING LOAN

Mr. Tolbert presented to Council. Staff recommends extending the loan and not approving a grant from the housing fund.

Mr. Norris asked if the money could come from a source other than the Housing Fund. Ms. Smith asked who pays for the utilities, because if tenants do not benefit from the energy-efficient renovations, it makes a difference. Ms. Szakos said she is concerned about changing the policy to add new potential uses for Housing Funds without finding additional funding to pay for them. Ms. Galvin asked if occupancy and condition data could be mapped. Mr. Tolbert said staff is working on this.

Ms. Smith asked Mr. Woodard if he could answer the question about who pays for the utilities. Most of the utilities are in the tenant's names. It would benefit the tenants.

On motion by Ms. Szakos, seconded by Ms. Galvin, the motion to go forward with the loan passed. (Ayes: Mr. Huja, Ms. Szakos, Mr. Norris, Ms. Galvin, Ms. Smith; Noes: None.)

REPORT: CHARLOTTESVILLE ALBEMARLE CONVENTION & VISITORS BUREAU FY2013 MARKETING PLAN

Mr. Kurt Burkhart gave Council background on the marketing plan and introduced Ms. Susan Payne. Ms. Payne presented to Council on the FY2013 Marketing Plan.

Council discussed the marketing plan with Ms. Payne. Ms. Galvin said there are not many pictures of the City itself in the brochure. Ms. Payne said the visuals have not been added yet, and it is a work in process. Council also discussed race and heritage tourism, developing an African American tour, and compiling information about African American history in Charlottesville to distribute to tourists.

Council voted unanimously to support the CACVB marketing plan.

REPORT/RESOLUTION: ALLOCATION OF COUNCIL PRIORITY INITIATIVES FUNDING TO SUPPORT THE SILVERBACKS FOOTBALL TEAM HOME GAMES – $2,000

Mr. Jones gave Council background on the request for funding, which will be used for field rentals for the year.

Mr. Davis from the Silverbacks gave Council an account of some of the funds they must spend during the season to operate.

Ms. Galvin asked for clarification on how the relationship between the Silverbacks and Council came to exist. She asked why the request was outside of the ABRT process. Ms. Szakos said she is a stickler for the ABRT process. However, Council has not identified young men, particularly African American men, as a priority, so this request would likely not have been funded. She said she would support this group for one more year but encouraged them to become incorporated so they would be able to go through the ABRT process. Ms. Szakos asked if we could sponsor a CNE membership for the Silverbacks to help them become established as a non-profit organization.

Mr. Norris said this is a positive group for the community, and he supports funding it, although he does not want to fund this every year. Ms. Smith asked how many players are City residents. Mr. Davis said about 90%.

Ms. Galvin said she would approve this conditional on the group providing their budget to Council, and become a non-profit in order to go through the ABRT process next year.

On motion by Ms. Szakos, seconded by Ms. Smith, the resolution passed with the conditions. The total amount was amended to $2,100, with the extra $100 to be used for CNE membership fees. (Ayes: Mr. Huja, Ms. Szakos, Mr. Norris, Ms. Galvin, Ms. Smith; Noes: None.)

RESOLUTION: REVISIONS TO ARCHITECTURAL DESIGN CONTROL DISTRICT GUIDELINES (*deferred*)

Mr. Huja deferred this item to the September 4 meeting.

RESOLUTION: APPROVAL OF CAT ROUTE ADJUSTMENTS

Mr. Lance Stewart, Interim Transit Manager, presented to Council. He gave Council background on the route adjustments, reviewed current and proposed routes, and minor changes for the free trolley.

Ms. Szakos said this change is the sort of thing we have been asking for. Mr. Huja said he is concerned we have not had much community involvement with this change. Ms. Smith said she appreciates the creative changes to Route 4. This could be very constructive. Public involvement is important, but this may be more a matter of education. Mr. Stewart said they will work for a broader public forum for these route changes and bring this back within two months for approval.

Ms. Szakos said this should be emphasized as an interim solution.

ORDINANCE: CHANGE TO PENALTY FOR VIOLATION OF NOISE ORDINANCE (*deferred*)

Mr. Tolbert presented to Council and outlined the changes in the penalties for noise violations.

Mr. Norris asked who is actually receiving the citations. Mr. Tolbert clarified that it could be anyone on the lease, but the offense is per address, not per person. Ms. Smith said this seems very specific to the Rugby area. Mr. Tolbert said police have discretion where this is concerned. Ms. Smith said this should be spelled out. Ms. Szakos said it could specify that it is per group of tenants, so that when properties turn over, the count is reset. Mr. Norris said although there were many phone calls, the number of fines are in the single digits.

Mr. Huja opened the floor to public comment.

Mr. Rick Jones, former President of the Fraternity Alumni Council and Alumni Advisor of a house in the Venable Neighborhood Association, said the City should try enforcing the law currently on the books.

Mr. Bob Lloyd, Tunlaw Pl., said noise is a significant problem. If the current law were enforced more stringently, the City would also recognize peripheral benefits such as decreased litter and unsightly yard furniture.

Mr. Blake Wheelock, student and fraternity member, said the biggest problem is communication. Students should be part of the solution. Trying to pass this before UVA students return to town is wrong. The existing fines are sufficient. University students and the police department share a mutually respectful relationship, and this could be adversely affected by imposing disproportionate fines. Fraternities are not the worst offenders.

Ms. Joy Johnson, 823 B Hardy Dr., said she often drives through the Venable Neighborhood, and the standard from Wertland to 14th Street and back down around to Venable is very different from her neighborhood. Trash is everywhere, and she asked how they get away with that, because it is not acceptable in the 10th and Page neighborhood.

Ms. Ladi Carr, 39 University Cir., said she wants people to be quiet after 10pm.

Having no further speakers, public comment was closed.

Mr. Norris suggested three steps: step up enforcement of current rules, encourage parties to find common ground and help students understand they are living in private neighborhoods, and let offenders know we are open to examining stricter penalties if behaviors do not change.

Ms. Szakos said a lot of people who are affected by this are students who are trying to get an education, which is also important. This is not students versus residents, but noisemakers versus everyone else. She said there should not be several warnings. We can come out before spring with stricter regulations if increased enforcement is not working.

Ms. Galvin said the City has to be actively working with the community to plan meetings to address this issue. She said it is upsetting that UVA has dropped the ball with this relationship.

Ms. Smith said increased enforcement of our current ordinance and greater communication is important. We should be aware of unintended consequences and be sure to treat different groups equally.

Council formed a consensus on Mr. Norris's three points.

MATTERS BY THE PUBLIC

Mr. Mitch King, speaking on behalf of Blueridge Sand, Inc., who submitted a dredging proposal to RWSA on April 30, requested that Council issue policy guidance to its representatives on the RWSA board so that proposals can be evaluated numerically.

Ms. Joy Johnson, 823 B Hardy Dr., said a noise ordinance should serve everyone in the community and be addressed across the board. CDBG money needs to be used for neighborhoods that cannot go through the capital improvement process. She thanked Council for supporting the Silverbacks. She said there is a lot of African American history in Charlottesville, and she would like the CACVB to incorporate this into their marketing plan.

Mr. Scott Bandy, 1639 Cherry Ave., thanked Council for adding the section on alignment with Council priorities to their Council memos.

Mr. Brandon Collins, 536 Meade Ave., said he is a member of the Transit Riders Association of Charlottesville, and the news of the CAT route changes came very quickly. The process was confusing. Changes should be better communicated. The next Transit Riders meeting is Saturday, September 1 at noon in the Jefferson Room of the Downtown Library. Also, the CRHA meeting could have been handled differently. People felt slighted, and Ms. Carey deserves an apology. He reminded Council and citizens about opt out options for children receiving military information from school.

COUNCIL RESPONSE

Ms. Smith asked if Council was interested in instructing Rivanna to look at all three proposals. Ms. Szakos said she trusts our representatives to make that decision. Mr. Brown said issuing such an instruction would be unprecedented.

The meeting was adjourned.

Clerk of Council
