Significance Statement:

This house was built about 1947, when Clarence and Marie Green acquired the property. The workshop/storage building appears to be contemporary with the house. Marie Green (later Barber) owned the property until her death in 1993, at which time it was conveyed to Estelle Jackson, the current owner. The Green House is typical of the one-story, gable-front dwellings built in the historically African-American neighborhood east of Ridge Street during the first half of the twentieth century.
