Style/period Vernacular

Date c. 1920-30 Architect/builder

Location and description of entrance Entrance on side.

Miscellaneous descriptive information (plan, exterior and interior decoration, cornice/eave type, window type and trim, chimneys, additions, alterations)

This tiny one-unit house (or apartment) was evidently converted from a garage. It stands immediately against the street. Constructed of brick (since painted off-white), the 1-bay front is of (infilled) frame construction.

Historical information

Source Not noted in Real Estate records.
