Location and description of entrance Entry to one side; toplight.

Miscellaneous descriptive information (plan, exterior and interior decoration, cornice/eave type, window type and trim, chimneys, additions, alterations)

This house is much deeper than it is wide. Like the house next door at no. 422, it has smooth-plaster main-floor walls and wood-shingled front gable. The overhanging eaves feature decorative brackets.

Historical information

This house, like most others on this block, appears to have been built in the 1920s.
