Tressie, your substitutions are fine.

**Subject:** 150 Chancellor St Landscaping

Good Afternoon Mary Joy,

We hit a bit of a snag with our landscaping at the Delta Zeta House. The quote that was given us for the work is a year old. The Fringe Tree that was supposed to go in the side yard is no longer available and apparently Dogwoods are having disease issues.

I have been given a recommendation of 2 substitute trees to replace these. They want to put in a Carolina Silver Bell to replace the Fringe in the side yard and a Eastern Red Bud to replace the dogwood in the back. I am disappointed but the substitute trees are nice. Both are native to the area and the Silver Bell will bloom white like the Fringe would.

Can we get an okay from you on this administratively?

Thank you.
