<b>Title:</b>	<b>Insurance Settlement for Damaged Police Car - \$6,294.95</b>

**Background:**

A Charlottesville Police Department unmarked Police car was struck by a vehicle operated by another driver. The damages to the vehicle rendered it a total loss. The insurance company for the driver at fault has settled with the City and the money must be appropriated to the Equipment Replacement Fund, so that the Police Department may utilize these funds.

**Discussion:**

The insurance reimbursement for the accident was \$6,294.95. The Police Department requests the insurance reimbursement for this accident be appropriated to the Equipment Replacement Fund in order to replace the vehicle that was in the accident.

**Alignment with City Council's Vision and Strategic Plan:**

Appropriation of this item aligns with Council's vision to delivering optimal services to our City as a Smart, Citizen-Focused Government. In addition, it aligns with Goal 5: A Well-Managed and Responsive Organization, Objective 5.1: Integrate effective business practices and strong fiscal policies.

**Recommendation:**

Staff recommends appropriation of funds.

**Alternatives:**

If funds are not appropriated, the Police Department will not be able to replace the vehicle, which will result in a negative impact on services provided.

<b>Title:</b>	<b>Local Emergency Management Performance Grant (LEMPG) - \$7,500</b>

**Background:**

The Virginia Department of Emergency Management has allocated \$7,500 in 2017 Emergency Management Performance Management Grant (LEMPG) funding from the Federal Emergency Management Agency to the City of Charlottesville. The locality share is \$7,500, for a total project of \$15,000.

**Discussion:**

The City of Charlottesville is the grant administrator for this grant, which will be passed to the Office of Emergency Management at the Charlottesville-University of Virginia (U.V.A).-Albemarle County Emergency Communications Center. The grant award period is July 1, 2017 to June 30, 2018. The objective of the LEMPG is to support local efforts to develop and maintain a Comprehensive Emergency Management Program. The 2017 LEMPG funds will be used by the Office of Emergency Management to enhance local capabilities in the areas of planning, training and exercises, and capabilities building for emergency personnel and the whole community.

**Alignment with City Council's Vision and Strategic Plan:**

This emergency management program supports City Council's America's Healthiest City vision, specifically, "Our emergency response system is among the nation's best," as well as Strategic Plan Goal 2 A Healthy and Safe City, Objective 2.3 Improve community and health and safety outcomes by connecting residents with effective resources. Maintaining our response and recovery capability is an on-going process that requires regular planning discussions and well as training and exercising with community response partners. Citizen preparedness, including awareness of local hazards and actions they can take to survive and recover from an emergency is a critical part of the local response system.

**Community Engagement:**

The LEMPG engages the community through public outreach efforts led by the Office of Emergency Management. Increasing citizen awareness of hazards and promoting steps individuals can take to prepare for, respond to, and recover from emergency situations is a critical priority for the Office of Emergency Management. Community outreach efforts include presenting on preparedness to community groups and designing and implementing targeted messaging through various media. This funding allows the Office of Emergency Management to enhance their education and public outreach efforts throughout the community.

**Budgetary Impact:**

This has no impact on the General Fund. The funds will be expended and reimbursed to a Grants fund. The locality match of \$7,500 will be covered with an in-kind match from the Office of Emergency Management budget.

**Recommendation:**

Staff recommends approval and appropriation of grant funds.

**Alternatives:**

If grants funds are not appropriated, the Office of Emergency Management will not be able to completely fund the augmentation of education and public outreach efforts. A reduction in time for this position will negatively impact the quantity and quality of public outreach on emergency preparedness to community members.

<b>Title:</b>	<b>Appropriation of Funds to the Charlottesville Affordable Housing Fund (CAHF) as partial fulfillment of the Water Street Promenade PUD proffer - \$45,883.26</b>

**Background:**

The City has received funds that need to be appropriated.

Riverbend Development Inc. is subject to a proffer dated January 28, 2014, related to the rezoning of the property now associated with the Water Street Promenade PUD (Tax Map Parcel 570157A00). This proffer requires that \$100,000 be paid to the Charlottesville Affordable Housing Fund. Payments satisfying the proffer are to be made in twenty-four installments paid simultaneously with payment of the fee(s) for issuance of building permit, for each of the first twenty-four (24) dwelling units constructed on the site. The amount of \$45,883.26, received on December 12, 2017, represents the proffer payments for the first eleven building permits issued.

**Discussion:**

The proffer payment received from Riverbend Development Inc. will need to be appropriated to the Charlottesville Affordable Housing Fund (CAHF). The remaining proffer balance of \$54,116.74 will be paid in full at the time the 24<sup>th</sup> building permit is issued.

**Community Engagement:**

There has been no direct community engagement on this issue, as the payment received from Riverbend Development Inc. was made to satisfy the requirements of the January 28, 2014 proffer.

**Alignment with City Council Vision and Strategic Plan:**

Approval of this item aligns with the City Council Vision of ‘Quality Housing for All’ and with the Strategic Plan Objective 1.3 to “Increase affordable housing options.”

**Budgetary Impact:**

The proffer payment from Riverbend Development Inc. will increase the amount of available CAHF funds to \$118,769.81.

CITY COUNCIL AGENDA

Agenda Date:	January 2, 2018
Action Required:	Approval and Appropriation
Presenter:	Kaki Dimock, Director, Human Services
Staff Contacts:	Kaki Dimock, Director, Human Services
Title:	<b>Housing Opportunities for People with AIDS/H.I.V. (H.O.P.W.A.): \$213,012</b>

**Background:**

The Department of Human Services in coordination with the Thomas Jefferson Area Coalition for the Homeless (T.J.A.C.H.) and the Service Provider Council (S.P.C.), applied for and received a grant from the Virginia Department of Housing and Community Development. The Housing Opportunities for People with AIDS/H.I.V. (H.O.P.W.A.) award is \$213,012 and is a renewal contract for the program from Housing and Urban Development (H.U.D.) for October 1, 2017 – June 30, 2018.

**Discussion:**

The City of Charlottesville has staff from Human Services, Social Services, and Neighborhood Development Services all taking a leadership role in the governance of T.J.A.C.H. H.O.P.W.A. is an important resource in our community's efforts to end homelessness. The grant provides services in four key areas.

1. **Tenant-Based Rental Assistance (TBRA):** The Thomas Jefferson Health District (T.J.H.D.) partners with The Haven to provide T.B.R.A. to eligible participants. The T.J.H.D. screens participants for eligibility and inspects the proposed property to ensure that it meets H.U.D. requirements. Upon successful screening, The Haven contacts the landlord to arrange monthly rent payment, similar to rapid re-housing.
2. **Short-term Rental, Mortgage and Utility Assistance:** T.J.H.D. screens eligible participants for short-term assistance including emergency utility payments to avoid shut-off.
3. **Supportive Services:** T.J.H.D. provides supportive services including crisis intervention, case management and service referrals.
4. **Homeless Management Information System (H.M.I.S.):** The City of Charlottesville as the award recipient will ensure that H.M.I.S. data is complete through an agreement with T.J.A.C.H. to have the Executive Director ensure data quality. Our Continuum of Care (C.O.C.) has a well-populated database for individuals experiencing homelessness.

HMIS collaboration provides real-time monitoring of the needs and progress of individuals and households facing homelessness. Collaborative use of H.M.I.S. among T.J.A.C.H. C.o.C. Service Providers expedites communication and reduces the need to interface disparate documentation systems.

5. **Administration:** The City of Charlottesville as the award recipient is eligible for an administrative fee. Staff proposes that we pass these dollars through to T.J.H.D. & The Haven to support the supervision of assigned staff.

### **Community Engagement:**

This grant and plan are the product of extensive engagement of the service provider community for persons experiencing homelessness. This partnership is reflective of the new governance model for T.J.A.C.H. and the priority requests of the Interfaith Movement Promoting Action by Congregations Together (IMPACT).

### **Alignment with City Council's Vision and Strategic Plan:**

This grant advances the City of Charlottesville's Strategic Plan Goal #1 of enhancing the self sufficiency of our residents. Specifically, it will facilitate the objective of increasing affordable housing options. This item primarily aligns with Council's vision for Quality Housing Opportunities for All. Outcomes will demonstrate a coordinated assessment process, individuals and families linked to housing and other resources, and the length of time homelessness was experienced. This grant also fosters the ideals of Community of Mutual Respect and Economic Sustainability by providing services to vulnerable citizens and promoting self-sufficiency.

### **Budgetary Impact:**

This grant will be entirely State and Federal pass-through funds. No local match is required. There is no budget impact for the City of Charlottesville. All funds will be distributed to sub-recipients for service provision.

### **Recommendation:**

Staff recommends approval and appropriation of grant funds.

### **Alternatives:**

Council may elect to not accept the funds, and the community will not have the capacity to administer the following services to persons experiencing a housing crisis while managing AIDS/H.I.V.: short-term rental assistance, utility assistance, rapid rehousing, H.M.I.S., and administration.

No delay or omissions by DHCD in exercising any right or remedy available to it under the Agreement shall impair any such right to remedy or constitute a waiver or acquiescence in any Sub-grantee default.

**O. Conflict of Interest**

CITY COUNCIL AGENDA**

Agenda Date:	December 18, 2017
Action Requested:	Approval of Deed of Exchange (Public Hearing and 1 <sup>st</sup> reading of Ordinance)
Presenter:	Matt Alfele, NDS Planner
Staff Contacts:	Matt Alfele, NDS Planner Lisa Robertson, Chief Deputy City Attorney
<b>Title:</b>	<b>Conveyance of Portions of Cleveland Avenue Right of Way in Exchange for Land Dedicated as Public Right of Way (Johnson Village, Phase 3)</b>

**Background:**

Fifth Street Associates, LLC owns two parcels of land on Cleveland Avenue designated as Parcels 179 and 350 on Tax Map 22B. Parcel 179 is on the south side of Cleveland Avenue and Parcel 350 is on the north side of Cleveland Avenue. Both of these parcels are part of Johnson Village, Phase 3, Planned Unit Development (also called “The Beacon on Fifth”). The final site plan calls for minor adjustments to the Cleveland Avenue and 5<sup>th</sup> Street, S.W. rights-of-way to improve that intersection, which would require Fifth Street Associates to convey and dedicate certain parcels of land to the City as public right-of-way, and for the City to convey certain parcels of land to be added to the parcels already owned by Fifth Street Associates.

**Discussion:**

The PUD site plan has been reviewed and given preliminary approval by the Planning and Engineering staff of Neighborhood Development Services, the Department of Public Utilities, and the Department of Public Works. The City Attorney’s Office has worked with the attorney for Fifth Street Associates on the attached Deed of Exchange and Plat. The 3-page Plat shows the parcels of land to be exchanged, designated as Parcels A through E. Parcels B and C would be dedicated as additional public right-of-way and added to Cleveland Avenue and 5<sup>th</sup> Street, S.W. Parcels A, D and E would be added to the Fifth Street Associates lands.

This land exchange would benefit both the City and Fifth Street Associates by shifting the location of retaining walls and steps out of the City’s rights-of-way. The exchange will also shift City infrastructure (public sidewalks) from being partially on private property, to being fully within City rights-of-way. The exchange of land will clarify maintenance responsibilities for both parties without the need of drafting maintenance agreements.

**Alignment with City Council's Vision and Strategic Plan:**

Not applicable.

**Community Engagement:**

A public hearing is required by law to give the public an opportunity to comment on the proposed conveyance of a property interest. Notice of such public hearing was advertised in the local newspaper at least 7 days in advance of the public hearing in accordance with Va. Code Sec. 15.2-1800(B).

**Budgetary Impact:**

None.

**Recommendation:**

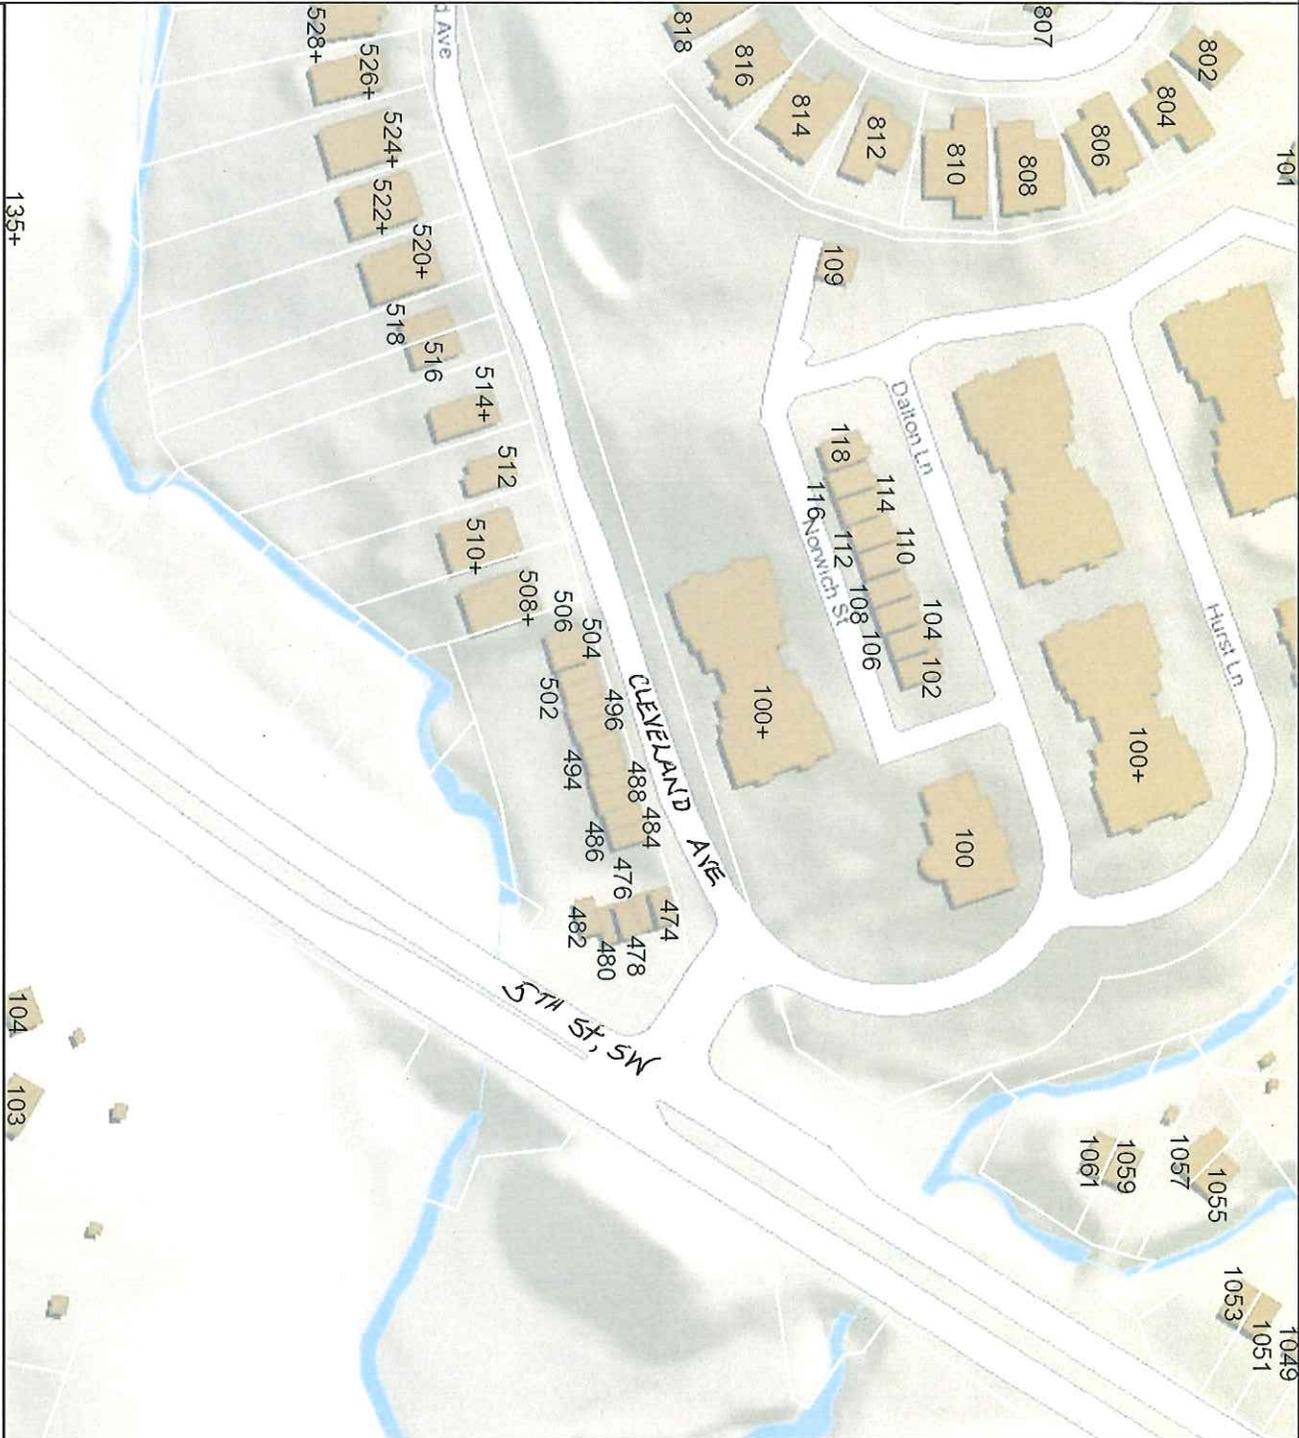

Approval of the Ordinance authorizing the Mayor to sign the Deed of Exchange.

**WHEREAS**, Fifth Street Associates, LLC has submitted a site plan for a planned unit development called Johnson Village, Phase 3 (The Beacon on 5<sup>th</sup>), encompassing property along Cleveland Avenue and 5<sup>th</sup> Street, S.W.; and

**WHEREAS**, the conveyance of the City-owned rights-of-way (Parcels A, D and E) will promote certain elements of City Council's Strategic Plan (Quality Housing Opportunities); and

CITY COUNCIL AGENDA**

<b>Agenda Date:</b>	January 2, 2018
<b>Actions Required:</b>	Yes (Public Hearing and Second Reading of Chapter 18 Ordinance Amendments)
<b>Staff Presenter:</b>	Craig Brown, City Attorney
<b>Staff Contacts:</b>	Craig Brown, City Attorney Brian Daly, Director of Parks and Recreation
<b>Re:</b>	Proposed Amendments to City Code Chapter 18 – Permits for Special Event and Demonstrations

**Background:**

At the December 18, 2017 Council meeting City Council reviewed and commented on the recently adopted Standard Operating Procedure (“SOP”) entitled “Regulations for Special Events and Demonstrations on City Property”, and also moved and seconded proposed ordinance amendments to Chapter 18 (Parks and Recreation) of the City Code. Council directed that a public hearing be held before the second reading of the ordinance amendments, and that provision be made to allow the use of candles during a special event or demonstration.

**Discussion:**

As currently written the amendments to Chapter 18 (i) define “open burning and open fire” and “open flame”; (ii) classify “open fire” and “open flame” as prohibited items; and (iii) make the “holding, carrying, displaying or using any prohibited item” a Class IV misdemeanor. In accordance with Council’s suggestion, staff proposes the addition of the following language after the definitions of “open burning and open fire” and “open flame”:

*Provided, however, that “open burning and open fire” and “open flame” shall not include handheld candles when used for ceremonial purposes, provided that they are not held or used in an intimidating, threatening, dangerous or harmful manner.*

If Council adopts this proviso, or makes any other changes to the proposed ordinance amendments to Chapter 18, City staff will make corresponding changes to the SOP for Special Events and Demonstrations on City Property.

**Community Engagement:**

A public hearing has been scheduled to allow comment on the proposed ordinance amendments.

**Budget Impact:**

The proposed ordinance amendments will not impact the City budget.

**Recommendation:**

Staff recommends that City Council hold a public hearing and approve amendments to City Code Chapter 18.

**Alternatives:**

City Council can decline to amend Chapter 18, or approve amendments other than those proposed.

## CITY OF CHARLOTTESVILLE, VIRGINIA CITY COUNCIL AGENDA

<b>Agenda Date:</b>	December 18, 2017
<b>Actions Required:</b>	Yes (First Reading of Chapter 18 Ordinance Amendments)
<b>Staff Presenter:</b>	Craig Brown, City Attorney
<b>Staff Contacts:</b>	Craig Brown, City Attorney Brian Daly, Director of Parks and Recreation
<b>Re:</b>	Proposed Amendments to City Code Chapter 18 – Permits for Special Event and Demonstrations

### **Background:**

During the past several months City staff, with the assistance of attorneys from the law firm K & L Gates, has been working on revisions to the City Standard Operating Procedures that govern the issuance of permits for demonstrations and special events. While the City has had an SOP for these types of permits for a number of years, the large scale volatile events of this past summer illustrated the need to revise the regulations.

The City's Standard Operating Procedures are not ordinances or resolutions, but rather regulations that are adopted administratively by the City Manager. The new SOP for Special Events and Demonstrations, a copy of which is attached, was approved by the City Manager on Tuesday, December 12, 2017, and became effective immediately. This new SOP will govern all future applications to use City property for demonstrations or special events. Due to the importance and public interest in these regulations we have placed them on Council's agenda, to provide an opportunity for Councilors to ask questions, make suggestions or express concerns. If necessary the SOP can then be amended again by the City Manager to reflect those suggestions or concerns.

Staff is also proposing a new Article in City Code Chapter 18 (Parks and Recreation), that tracks some of the language from the Special Events and Demonstrations SOP. These new ordinances, which do require City Council approval, provide an enforcement mechanism in the event there are violations of specified provisions of the SOP, as recited in the ordinance.

### **Discussion:**

The following are some of the more significant changes in the new SOP:

- Sections 3.1.9 (page 3) and 3.4.5 (i) (page 9) establish a list of “prohibited items” that are not allowed at events without prior permission from the City;
- Section 3.2.1 requires a permit for events that involve 10 or more persons; the prior SOP did not require a permit for demonstrations of fewer than 50 people, or for demonstrations that did not occur within a City right-of-way. The new SOP also recognizes that permits are not required for a “spontaneous” demonstration.
- Section 3.3.2 requires applications to be submitted at least 60 business days in advance of an event, if the event requires a street closure or provision of public safety personnel. Section 3.3.2 also requires the sponsor to include a greater level of information about the proposed event in the application. An application may not be submitted more than six months prior to the proposed date of an event (section 3.4.1).
- Section 3.3.2 (c) allows a waiver of costs, fees and monetary obligations if payment would cause a bona fide financial hardship.
- Section 3.4.4 allows the City Manager to request additional information about the proposed event from the sponsor, and to deny, modify, limit or condition the permit if the sponsor does not provide the additional information.
- Section 3.4.6 also allows the City Manager to place reasonable time, place or manner conditions on a permit, such as relocating the event to an alternative venue or limiting the number of persons allowed at a specific event.
- Section 3.4.7 increases the automatic approval provision from 10 days to 30 days if the event involves a street closure or the provision of public safety personnel.

**Community Engagement:**

The Standard Operating Procedure for Special Events and Demonstrations on City property has been adopted without prior community engagement.

**Budget Impact:**

No impact on the City budget is anticipated from the ordinance amendments or adoption of the new SOP.

**Recommendation:**

Staff recommends that City Council provide feedback to staff on the recently adopted SOP for Special Events and Demonstrations on City property, and approve the proposed amendments to City Code Chapter 18.

**Alternatives:**

City Council can decline to amend Chapter 18, or approve amendments other than those proposed.

**AN ORDINANCE**  
**AMENDING AND REORDAINING CHAPTER 18 (PARKS AND RECREATION)**  
**OF THE CODE OF THE CITY OF CHARLOTTESVILLE, 1990, AS AMENDED, BY**  
**ADDING A NEW ARTICLE III ENTITLED “PERMITS FOR**  
**SPECIAL EVENTS AND DEMONSTRATIONS”**

**BE IT ORDAINED** by the Council for the City of Charlottesville, Virginia that Chapter 18 (Parks and Recreation) of the Code of the City of Charlottesville, 1990, as amended, is hereby amended and reordained by adding a new Article III entitled “Permits for Special Events and Demonstrations”, which Article shall read as follows:

**ARTICLE III. PERMITS FOR SPECIAL EVENTS AND DEMONSTRATIONS**

**Sec. 18-21. Purpose.**

The purposes of this Article are to:

(a) To establish procedures and standards governing the use of public property by non-City organizations and individuals for the purpose of conducting events, and to ensure the preservation of public convenience in the use of city streets and outdoor areas, the preservation of public order and safety, and the defraying of administrative expenses associated with certain types of uses; and,

(b) To protect the right of persons and groups to organize and participate in peaceful assemblies to express their political, social, religious, or other views on City streets, sidewalks, other public ways, parks, and other public lands, subject to reasonable restrictions designed to protect public safety, persons, and property, and to accommodate the interest of persons not participating in such assemblies in not having their ability to use City streets, sidewalks, and other public ways to travel to their intended destinations, City parks for recreational purposes, and other City lands for their intended purposes unreasonably impaired.

(c) The application of the provisions of this Article, and any rules and regulations adopted pursuant to these provisions, shall be without regard to the content of the beliefs expressed or anticipated to be expressed during any permitted event.

**Sec. 18-22. Definitions.**

“Community event” shall mean the events listed in Sec. 28-29(c) of the City Code, and such other events designated by City Council as “community events” from time to time.

“Demonstration” shall refer to an event involving non-commercial expression protected by the First Amendment of the United States Constitution (such as picketing, political marches, speechmaking, vigils, walks, etc.) conducted on public property, the conduct of which has the effect, intent or propensity to draw a crowd or onlookers. This term does not include casual activity by persons which does not have an intent or propensity to attract a crowd or onlookers. The term “demonstration” shall exclude (i) any events conducted by Tenant of the Economic Development Authority of the City of Charlottesville (“CEDA”) under the Pavilion Lease dated September 20, 2004 (i.e., all “*Operator Events*” as that term is defined within that Pavilion Lease), and (ii) any events conducted by the Thomas Jefferson Center for Freedom of Expression within the area leased to it for and in connection with the First Amendment Monument.

“Event” may refer either to a demonstration or a special event, or to demonstrations and special events, collectively.

“Open burning and open fire” have the same meaning as set forth in Charlottesville City Code § 12-2.

“Open flame” means fire whose flame is supported by a wick, oil or other slow-burning means to sustain itself. “Open flame” includes, but is not limited to, flame producing devices such as candles, torches, and juggling or other fire artist equipment.

“Prohibited items” shall mean (i) all items prohibited by law from being held, carried, displayed, worn or otherwise used in public, (ii) items banned from public or park lands, (iii) any BB guns, pellet guns, air rifles or pistols, paintball guns, pellet guns, nun chucks, tasers, stun guns, heavy gauge metal chains, lengths of lumber or wood, poles, bricks, rocks, metal beverage or food cans or containers, glass bottles, axes, axe handles, hatchets, ice picks, acidic or caustic materials, hazardous, flammable, or combustible liquids, dogs (except service dogs), skateboards, swords, knives, daggers, razor blades or other sharp items, metal pipes, pepper or bear spray, mace, aerosol sprays, catapults, wrist rockets, bats, sticks, clubs, drones, explosives, fireworks, open fire or open flames, or other item considered an “implement of riot”, (iv) any items capable of inflicting bodily harm when these items are held or used in an intimidating, threatening, dangerous or harmful manner, and (v) law enforcement or military-like uniforms or uniform-like clothing, badges, insignia, shields, hats, helmets, masks, equipment and other items that when held, carried, displayed or worn tend to suggest or imply that the wearer is a current member of law enforcement, the military or a private militia.

“Special event” shall refer to sports events, pageants, celebrations, historical reenactments, carnivals, music festivals and other entertainments, exhibitions, dramatic presentations, fairs, festivals, races (i.e., runs/walks), block parties, parades and other, similar activities, conducted on public property, which (i) are not demonstrations, and (ii) are engaged in by 10 or more persons. The term “special event” shall be construed to include a community event or private organization celebration held in or on city-owned property and is attended by

more than 10 people. The term “special event” shall *exclude* (i) any events conducted by CEDA’s Tenant under the Pavilion lease dated September 20, 2004 (i.e., all “Operator Events” as that term is defined within the Pavilion lease), and (ii) any events conducted by the Thomas Jefferson Center for Freedom of Expression within the area leased to it for and in connection with the First Amendment Monument; and (iii) gatherings of ten or more people in a park for general recreational or sports activities.

“Sponsor” shall mean the person (as defined above) or persons who sign, or whose authorized representative(s) sign, an application for an event permit and who will be responsible under the permit, if issued, for ensuring that the event will be conducted in accordance with these regulations. Where a purported sponsor is not a legal entity, the sponsor shall be the individual(s) signing the permit application.

**Sec. 18-23. Permit required.**

(a) The City Manager is authorized to adopt standard operating procedures that establish a permit application process to be administered through the City Department of Parks and Recreation. The procedures shall also provide for the grant or denial of permit applications within specified times; establish the grounds for revocation of an approved permit; provide for the application of reasonable time, place and manner regulations for permitted events; establish reasonable fees, charges, rentals and insurance and indemnification requirements; and restrict the possession or use of prohibited items, as defined herein, during the event.

(b) Any person intending to hold or sponsor an event on any City-owned or leased property must first obtain a permit through the City Department of Parks and Recreation, unless (i) the event is exempt from permitting requirements under the standard operating procedures promulgated by the Charlottesville City Manager, or (ii) such person is holding or sponsoring such event pursuant to a valid permit issued by the City Manager pursuant to another Chapter of this Code.

(c) By accepting a permit issued by the City pursuant to this Article, the Sponsor represents that (1) all information included or presented as part of the permit application was, to the best of the Sponsor’s information and belief, complete and correct; (2) that all terms and conditions of such permit have been or will be complied with; and (3) that a copy of the permit will be made available for inspection by any City representative during the event.

**Sec. 18-24. Insurance requirements.**

(a) To further the goal of public safety and to protect the City of Charlottesville and its officers, officials and employees from claims for damage to property or bodily injury occurring during the event, the sponsor of an event shall be required to furnish a general liability and

property damage insurance contract insuring the Sponsor's liability for personal injury and death and damages to property resulting from its use of public property. The required general liability and property damage insurance, unless waived in whole or in part, shall be provided in an amount not less than \$1,000,000, and the insurance policy shall name the City (including its officers, officials, employees and agents), as additional insured parties to the insurance contract.

(b) This insurance requirement may be waived, in whole or in part, by the City Manager or his or her designee because: (1) the cost of the insurance will result in a documented financial hardship to the sponsor, or (2) for an event that does not (i) pose a high level of liability risk to the City or a material risk to public safety, and (ii) does not involve any inherently dangerous activity. A written request to waive or modify any insurance requirement must be made by the sponsor at the time a permit application is submitted. An approval or denial of the request will be made in writing to the event sponsor.

(c) The decision on whether the insurance requirement will be waived in whole or in part will be based on the following factors: (1) whether the event and planned activities present a risk of personal injury or property damage; (2) whether the event involves a large number of participants relative to the size of the event venue; (3) whether the event involves the preparation and sale of food; (4) the duration of the event; and (5) whether the event involves transportation or installation of heavy equipment, or the installation of a stage or other temporary structures. Provided however, that, in deciding whether insurance will be required or waived for a demonstration the City Manager or his or her designee shall not consider the number of anticipated onlookers or counter-demonstrators, the potential risk of property damage or bodily injury that may be caused by onlookers or counterdemonstrators, nor the possibility that the demonstration will be controversial in nature.

#### **Sec. 18-25. Violations and penalties.**

The following conduct is declared to be unlawful and shall be, upon conviction, punishable as a Class IV misdemeanor, unless a greater penalty is authorized and imposed in any other Chapter of this City Code or by the laws of the Commonwealth of Virginia:

(a) Sponsoring, holding or conducting an event for which a permit is required, without first obtaining a permit;

(b) Sponsoring, holding or conducting a permitted event on days or at times not authorized by the permit;

(c) Intentionally providing false, misleading or incomplete information in a permit application;

(d) Failing to comply with any terms or conditions placed on a permit;

(e) The failure to comply during an event with any lawful directive of a law enforcement officer, or with any lawfully posted public sign, direction or instruction;

(f) Climbing upon any tree, or any wall, fence, shelter, fountain, statue, or any other structure not specifically intended for climbing purposes;

(g) Rendering any part of the event venue dangerous, unsafe or unsuitable for use by others;

(h) Closing any street or public right-of-way, or using such street or right-of-way in a manner that obstructs vehicular or pedestrian passage, without first obtaining a street closing permit;

(i) Holding, carrying, displaying or using any prohibited item as defined herein within the area where a permitted event is taking place, without the prior written consent of the City Manager or his or her designee;

(j) Throwing or propelling objects of a potentially dangerous nature, including but not limited to rocks, bottles, sticks, staffs, glass objects or cans;

(k) Engaging in a course of conduct or committing any act that endangers the public welfare or safety of others;

(l) Damaging landscaping, plantings, improvements, equipment or structures located on City property where the event is being held.

In addition to the criminal sanctions authorized herein, any person engaging in the unlawful conduct proscribed by this section, or who violates any ordinance in this Article, may also be held civilly liable for any damages or loss, and may be banned from the future use of City-owned property for a specified period of time.

- a. Each application shall specify (i) the name, address and telephone number of a contact person for the sponsor, (ii) the nature of the event, (iii) the date when the event is to be conducted, (iv) the times when the event is to begin and end, and the approximate times when assembly for, and disbanding of, the event are to take place, (v) the location(s) of the event and any assembling or disbanding areas, as well as any related stands or other structures to be used in the event, (vi) the approximate number of persons, animals, and vehicles that will participate in the event, (vii) whether the sponsor will invite, publicize or advertise the event to groups and other persons that the sponsor does not directly represent, (viii) a description of the types of animals, the types of vehicles to be used, the number of bands and other musical units and sound trucks to be used, and the number, type, and size of banners, placards, and signs to be used, (ix) the number of persons who will be designated by the sponsor to monitor the event, and (x) any other information required by these regulations. The sponsor must disclose in an application whether the sponsor requests permission for a prohibited item to be used during a demonstration due to its expressive or symbolic quality relevant to the subject matter of the demonstration, including without limitation symbolic weapons, open flames or other similar items. If the permit grant includes the right to carry or display a prohibited item, such item must be carried or displayed in strict accordance with the terms of the permit and must otherwise at all times conform to applicable law.
- b. Any permit grant will be based on the information provided in the application being, and remaining, complete, accurate and not lacking any material omissions regarding the nature of the event, any structures or items to be used during the event, or any activities to be conducted during an event, which information constitutes conditions and limits on the event. Sponsor will notify the City as soon as practicable if any information in the application is no longer complete or accurate and provide a revised application containing the updated information. The City will promptly review the revised application and notify the sponsor whether the permit will stand, or be revoked, modified or subject to additional conditions or limits. The sponsor will be responsible for notifying the anticipated attendees of any applicable conditions and limits placed on an event and any relevant subject matter of these regulations directly applicable to their conduct at an event, such as the list of prohibited items and the allotted time and location for an event and its initial staging and dispersal, if applicable.
- c. Each application must be accompanied by all required fees and deposits and signed by all sponsors responsible for the event unless, with respect to an application for a demonstration only, the sponsor claims in the application a bona fide financial hardship and the sponsor demonstrates to the City Manager by reasonable evidence that the monetary obligations imposed by these regulations on the event would render the sponsor not reasonably able to conduct the demonstration, in which event the City Manager shall waive, in whole or in part, compliance with the monetary obligations, including the obligations of indemnification, imposed by these ordinances to the extent necessary to enable the sponsor to conduct the demonstration.
- d. The sponsor of (i) an event at which at least 500 people will or may be expected to attend, or (ii) a special event for which admission fees will be charged shall provide the City with the location and number(s) of people who attended the past

three events staged by the sponsor (or the sponsor's officers, directors or other principals). This will assist City officials and public safety personnel in planning for any services which may be necessary in connection with the event, including by contacting counterparts in other jurisdictions for the purpose of assessing the appropriate levels of such services.

- e. Tent permits are required for tents that exceed 900 square feet in size. Permits for tents exceeding 900 square feet can be requested by contacting the City Building Code Office in the Neighborhood Development Services Department. Tents greater than 400 sq. ft. but less than 900 sq. ft. do not require a permit, but must be inspected by the Fire Department prior to use. "Easy-up" and pop-up canopy tents are not permitted on the Downtown Mall under any circumstances.

### **3.4. Permit Processing.**

- 3.4.1. Permit applications for events will be processed in order of receipt. The use of a particular area is allocated in order of receipt of completed applications (including any applicable fees or charges); however, the application of a sponsor who applies for a hardship fee waiver or reduction will not be considered incomplete due to non-payment of any fees or charges unless and until a determination is made that any fees or charges are due and owing from the sponsor and the due date for the fee has passed without the payment having been made. Unless otherwise provided by these regulations, no applications shall be accepted more than six months prior to the proposed date of an event. Upon receipt of a permit application, the Events Coordinator shall promptly deliver a copy of such application to the City Manager, the Police Chief, the Fire Chief, the Directors of the Departments of Parks and Recreation, Public Works, Utilities, Transit and any other City officials whom the City Manager may, from time to time, designate as reasonably necessary to receive and review permit applications, or their respective designees. Such officials shall promptly deliver to the City Manager their recommendations with respect to granting or denying the requested permit, or any modifications, conditions or limits upon which issuance of the permit should be based.
- 3.4.2. **Priority of Use.** Community events shall have priority of use of the particular street or City land specified in section 3.7 of these regulations, and those areas shall be deemed reserved unless released in writing by the sponsor. Other events may be allowed in areas which have been reserved for a community event, if they do not materially interfere with the community event and the community event sponsor consents.
- 3.4.3. **Permit Application Fees.** An application fee shall be paid by the sponsor of every proposed event for which a permit is required. See Appendix A for the amount of the fee. (C.Ref.5-56, 28-5 City Code). If a permit is denied or revoked, the application fee will not be refunded. Appendix A shall not apply to the Pavilion. Fees applicable for use of the Pavilion during time(s) when that area is available for use by the City/CEDA shall be provided by CEDA's Executive Director upon request.
- 3.4.4. **Requests for Information.** Before or after permit issuance, the City Manager or his or her designee may request from the sponsor such additional information with respect to a proposed event as reasonably deemed necessary for evaluating the proposed event's compliance with these regulations and the impact of the proposed event upon public safety, persons, and property, and the interests of persons not participating in the event being able to use City streets, sidewalks, and other public ways to travel to their intended

destinations, City parks for recreational purposes, and other City lands for their intended purposes unreasonably impaired. The sponsor's failure to timely provide such additional information constitutes grounds for denial of a permit request or the modification, conditioning or limiting of a permit.

3.4.5. **Grounds for Rejecting or Revoking a Permit.** A permit may be denied, or its grant may be conditioned or limited by the City Manager, or an issued permit may be revoked upon the following grounds:

- a. Receipt of Multiple Requests: a fully executed application for the same time and place has been received at an earlier time, reserving an area for an event or activities which do not reasonably permit multiple events in the particular area.
- b. Impact on Public Safety: it reasonably appears that the proposed event, due its nature, location, anticipated number of attendees or other factors, will present a threat to public safety or health or would be unlawful (including, without limitation, where a permit or license required by the Health Department or the Virginia Department of Alcoholic Beverage Control has not been obtained).
- c. Incompatible Use: the proposed event is of such a nature or duration that it cannot reasonably be accommodated in the particular area applied for; would be inconsistent or incompatible with the purpose(s) for which the area sought to be reserved is normally used, or with other uses of the area sought to be reserved.
- d. Failure to Meet Conditions: the application proposes activities contrary to one or more of the purposes, conditions or limits specified within these regulations.
- e. No Responsible Person: there is no person authorized to sign an application on behalf of the sponsor applying for a permit and/or there is no person willing or able, as demonstrated to the City Manager by reasonable evidence, to accept responsibility for and perform the sponsor's obligations set forth in these regulations, including, without limitation, the sponsor's indemnification obligations.
- f. In the case of a proposed special event: the proposed special event cannot be accommodated within a reasonable allocation of City funds and/or resources, considering the event's public appeal and the anticipated participation of the general public therein.
- g. In the case of a special event proposed to take within the Pavilion: (i) the Pavilion is not available to the City/CEDA on the date/time requested, under the terms and conditions of the Pavilion lease dated September 20, 2004, or (ii) one or more of the grounds specified in paragraphs a-f above apply.
- h. Failure of the Event to be Consistent with the Application: The City Manager reasonably determines at any time, following consultation with the Police Chief, the Fire Chief, or other appropriate City officials, that any material information set forth in the permit application is incorrect or misleading, or has become since the submission of the application incorrect or misleading and the permit must be revoked, modified, conditioned or limited consistent with these regulations.

- i. **Prohibited Items:** Prohibited items are not allowed at events and an event permit will be denied or revoked if at any time it appears that prohibited items will be used, or are being used, during an event, and the City has not granted special permission in the permit covering such use. It will not be grounds for rejection of a permit that a sponsor wishes event attendees to carry or use a prohibited item in an expressive or symbolic way, including without limitation a symbolic weapon, open flame or other similar item, provided that all attendees must be licensed to carry such weapons if required by law and the use of such items must be otherwise lawful, and further provided that the event sponsor pays for any additional police, fire and emergency medical personnel required to maintain public safety in accordance with these regulations. If any prohibited item for which special permission has been received is held or used during the demonstration in an intimidating, threatening, dangerous or harmful manner, such use will be unlawful and the permit's allowance of such use shall be automatically revoked. The person responsible for the unlawful use of the item will be directed by law enforcement to leave the demonstration area, and any person refusing to do so shall be subject to arrest for trespassing.

Nothing in these regulations shall prohibit a disabled person from carrying, possessing or using a wheelchair, cane, walker, or similar device necessary for providing mobility so that the person may participate in a permitted event.

Nothing in these regulations shall prohibit certified law enforcement officers or other public safety officials acting in their official capacity from carrying or possessing materials, weapons and / or devices used in the performance of law enforcement duties.

- 3.4.6. **Modifying or Placing Conditions or Limits on Permit Grants.** A permit may be modified or its grant may be conditioned or limited by the City Manager where necessary to meet the requirements of these regulations or to further their purposes. Such conditions and limits may include, for example, requiring the event to be relocated to an alternative venue if doing so is required to safely accommodate the number of anticipated attendees or type of event; provided, however, that with respect to demonstrations only, the City Manager shall take into account whether the alternative venue is suitable for communicating the content of the demonstration. The City reserves the right to limit the number of persons allowed at events based on the location or nature of the event, and to require that the sponsor provide a certain number of individuals, who may be volunteers within sponsor's organization, to act as crowd managers to assist with ensuring that the assembly is and remains lawful and in compliance with these regulations and liaising with City officials prior to and during the event.

- 3.4.7. **Notice of Decision.**

- a. Applicants shall be notified of the City's approval or denial of a permit for an event as soon as reasonably practicable after the date on which the application was received. The City may also issue approval of a permit for an event conditioned upon the sponsor's accepting modifications, conditions or limits imposed on the event consistent with these regulations.
- b. Unless denied or modified within 10 business days following the submission of a completed permit application, or within thirty (30) business days if the event requires a street closure, removal of parking, or provision of public safety personnel, all requests for demonstration permits shall be deemed granted,

subject to the conditions and limits set forth in the permit and these regulations, so long as the area proposed for the demonstration had not been reserved by another person prior to the date on which the permit would be deemed granted in accordance with this section 3.4.7(b).

- c. All denials of requests for, or conditional approvals of, demonstration permits shall include a reasonably detailed description of the reason for the denials or the modifications, conditions or limits, and specific instructions for how an appeal of the denial or conditional approval can be submitted to the City Manager.

**3.4.8. Permit revocation.**

- a. An issued permit for an event may be revoked by the City Manager upon a finding of a violation, or a reasonably anticipated violation, of any rule, ordinance, law, regulation and/or condition or limit of the permit, or a finding that a permit application was not complete or accurate or had a material omission of fact when granted, or a finding that the information in the permit application has become, or is reasonably likely to become, incomplete, inaccurate or to contain a material omission. Immediately upon such a revocation, the City Manager shall send a written notice to the sponsor at the sponsor's address in the permit application, specifying the reason for the revocation.
- b. During the conduct of an event, a permit may be revoked by the ranking police, fire or other public safety supervisory official in charge, and the event attendees dispersed, if the event is unlawful, prohibited items are being used, there exists an imminent likelihood of violence or other threat to public safety endangering persons or threatening to cause significant property damage, or if the City or Commonwealth has declared either a state of emergency or an unlawful assembly covering the area in which such demonstration is being or will be held. Upon such revocation, the sponsor and the other sponsor attendants shall communicate the need to disperse the demonstration to the attendees.
- c. When a permit has been granted, or is deemed to have been granted pursuant to these regulations, the City Manager may revoke, modify, condition or limit the permit for any reason for which it could have been denied, modified, conditioned or limited originally.
- d. Except for permits revoked during demonstrations, all revocations of demonstration permits shall include a reasonably detailed description of the reason for the revocation and specific instructions for how an appeal of the revocation can be taken, and shall be served personally or by certified mail, with a copy sent by fax or e-mail at the sponsor's request.

**3.4.9. Appeals.**

- a. Except for permits revoked during demonstrations, an appeal of the denial, conditional approval or revocation of a demonstration permit may be made to the City Manager in writing, and shall include a statement of the basis for the objection to the denial, conditional approval or revocation.

- b. The City Manager shall make a decision on appeal expeditiously and, if practicable, at least three (3) business days prior to the date the demonstration is planned to commence, and shall explain in writing the reasons for the decision.

**3.5. Permit Conditions and Limits.** All events are subject to the following conditions and limits:

**3.5.1. Excluded Areas and Prohibited Items.**

- a. No events may take place in Sixth Street, between City Hall and the East Market Street Parking Garage. This area must remain open to vehicular traffic at all times, and shall not be closed in connection with any event.
- b. No event may be held in the area under the Belmont Bridge.
- c. No event will be scheduled to take place in Central Place, on the Downtown Pedestrian Mall, during any hours in which the use of that area is restricted pursuant to sections 3.5.6 or 3.5.7 of these regulations.
- d. No event shall utilize any area on the Downtown Mall in a manner that will impede ingress or egress of any business or in an area that is already designated as assigned/unassigned vendor space, assigned cafe space or within any required fire lane areas, unless permission is otherwise provided by the Zoning Administrator in writing.
- e. No events may take place within the Pavilion or the area surrounding the First Amendment Monument during any time when the Pavilion or Monument is subject to exclusive use by CEDA's tenant under the Pavilion lease dated September 20, 2004 or the City's lease with the Thomas Jefferson Center for Freedom of Expression.
- f. No events can be scheduled to take place in Emancipation Park before 1 p.m. on Sundays.
- g. Prohibited items are excluded from all events.

**3.5.2. Street Closings.**

- a. No City street may be closed for any event, unless done so pursuant to a street closure permit applied for by the event sponsor and issued by the City Manager pursuant to sec. 28-5 of the City Code. No such permit shall be granted unless the City Traffic Engineer or Chief of Police determines that such closure is reasonably required due to the location of the event and:
  - 1. Such closing is necessary because the event will impede or pose a reasonable risk of harm to traffic and/or pedestrian travel, or, if not strictly necessary, such a closing would not be unduly injurious to public safety convenience. (Requests for a street closing in the Downtown Area shall be presumed unduly injurious to public convenience if proposed to include any time between the hours of 7:00-9:00 a.m. or 4:00-5:30 p.m. Monday-Friday); and,

2. If the street in question is an extension of the state highway system, adequate provision can be made to detour through traffic during the event. (C.Ref. City Code 28-5: Temporary Street Closings, Generally; State Code 15.2-2013), and
  3. The sponsor permitted to use public right(s)-of-way being closed will furnish a public liability and property damage insurance contract, as required by Va. Code §15.2-2013 and §3.5.4 of these regulations.
- b. No street may be closed for an event except on a temporary basis, not to exceed 48 hours in duration; provided that the City Manager may direct the closing of 2<sup>nd</sup> Street and / or 4<sup>th</sup> Street or portions thereof, between Market Street and Water Street, for a longer period. (C.Ref. City Code 28-5).
  - c. Even if not requested by a sponsor, if the circumstances of a proposed event are such that a street closing is necessitated because the event will likely impede or pose a threat to vehicular or pedestrian travel then the City will require a permit and a street closing in connection with the event, along with all application fees applicable thereto, and may require that the event be held at an alternate site, if a suitable alternate site is available where the event is not likely to impede or pose a threat to vehicular or pedestrian travel.
  - d. Upon approval of a street closing in connection with an event, the sponsor shall be issued a street closure permit by the City's Traffic Engineer. This permit shall be displayed in a prominent place during the event.
  - e. During the conduct of an event, the sponsor of that event shall comply immediately with the lawful request of any police officer, firefighter, rescue service person, or city employee, made for public safety or other emergency reasons, to move any structure or persons from a street which has been closed in connection with that event.
  - f. Notwithstanding any of these provisions, the City Traffic Engineer may close any street for a neighborhood-based gathering when (i) 1 block or less is to be closed, (ii) there is an alternative for all traffic, (iii) reasonable advance notice of the closure is given by posting signs at either end of the block, and (iv) the Traffic Engineer believes that there are no safety issues. In these cases, no event permit is required and applicants shall be referred to the Traffic Engineer for street closure permits.
- 3.5.3. **No Impediments to Public Access.** During any street closure, all City ordinances and State statutes limiting the use or obstruction of fire lanes, access to Fire Department fire suppression system connections and fire hydrants, emergency routes, and pedestrian walkways must be observed at all times. No person(s) or group(s) participating in an event shall block any entrances to or exits from City buildings, nor shall such person(s) or group(s) interfere with the use of City buildings or facilities by non-participating persons for their ordinary purposes, whether by impeding access, impeding egress using fire exits and routes, creating unreasonable noise or otherwise.

3.5.4. **Indemnification and Insurance.**

- a. Sponsors of events for which a permit is required shall be required to indemnify and hold harmless the City, its officials, employees and agents from any personal injury, death and damages to property, and any other loss, cost and/or damage occurring as a result of the actions or inactions of the event's sponsor, or the sponsor's failure to comply with these regulations.
- b. Where the event is proposed to take place within the Pavilion the sponsor shall also be required to indemnify and hold harmless CEDA and CEDA's tenant Pavilion lease dated September 20, 2004.
- c. The sponsor(s) will accept the reserved area as-is, and the City does not warrant that any public area(s) are suitable for the activities to be conducted as part of the event. The event sponsor(s) shall be solely responsible for any damages or injuries resulting to any person or property arising out of the sponsor(s)' use of City property for the event, and the sponsor(s)' failure to obtain any required public liability insurance for the event is at the sponsor(s)' sole risk. The City expressly reserves all sovereign and governmental immunity to which it, and its officers, officials and employees may be entitled to under the laws of the Commonwealth of Virginia.
- d. Insurance or Other Liability Contract. The sponsor of an event shall furnish a general liability and property damage insurance contract insuring the Sponsor's liability for personal injury and death and damages to property resulting from its use of public property. If alcohol is to be served or sold in connection with the event, then the required insurance shall cover liability specifically in connection with that activity. The required general liability and property damage insurance shall be provided in an amount not less than \$1,000,000, and the insurance policy shall name the City (including its officers, officials, employees and agents) and or CEDA /CEDA's Tenant (for events approved to take place in the Pavilion), as an additional insured party to the insurance contract. Failure to provide required insurance, and reasonable documentation of the insurance, will be grounds for denial and/or revocation of a permit.
  - 1. Prior to commencement of the event, the Sponsor must provide the City with an insurance certificate that verifies the insurance coverage required by these regulations.
  - 2. This insurance requirement may be waived, in whole or in part, by the Director of Parks and Recreation for events that do not (i) pose a high level of liability risk to the City or a material risk to public safety, and (ii) do not involve any inherently dangerous activity. A written request to waive or modify any insurance requirement must be made by the sponsor at the time a permit application is submitted. An approval or denial of the request will be made in writing to the event sponsor by the Director of Parks and Recreation.
- e. The sponsor of an event for, or in connection with, which any type of royalty(ies) are required to be paid must agree to pay all such royalties (including, without limitation, any which may be due to ASCAP and BMI) and to indemnify and hold the City harmless from and against any and all royalty payments sought from the City.

3.5.5. **Limited Duration.** No event shall be authorized for a duration in excess of the time periods set out below, and no street closing shall be authorized for a duration in excess of 48 hours. Provided, however, that the stated periods will be extended, upon request no later than 24 hours prior to the expiration of the then-authorized duration for demonstrations only up to the following periods, unless another application requests use of the particular area and said application precludes double occupancy: (a) Pen Park and McIntire Park, 7 days; (b) Emancipation Park, 3 days; (c) Pavilion: 2 days; and (d) All other parks: 1 day.

3.5.6. **Time of Day Restrictions.**

- a. No event shall be permitted in any park or the Pavilion during hours that park is otherwise closed to the public, except that activities may be permitted in McIntire Park through 12:00 midnight. (C.Ref. 18-1 City Code: hours for Remaining in City Parks or recreation facilities).
- b. No community event or event shall be scheduled to take place in Emancipation Park before 1:00 p.m. on any Sunday.
- c. No event shall be permitted in the Pavilion during the hours of [10 p.m. and 7 a.m.] or during any hours that such area is reserved for exclusive use by CEDA's Tenant under the Pavilion lease dated September 20, 2004, or in the area surrounding the First Amendment Monument during any hours that such area is reserved for use by or through the Thomas Jefferson Center for Freedom of Expression.

3.5.7. **Sound Amplification.**

- a. As stated in the City Code, the restrictions in the City Code with respect to sound amplification do not apply to community events or events that have received a permit from the City Manager. The City Manager may therefore approve a request in the permit application for the use of sound amplification equipment in connection with the permitted event. The City Manager may reasonably limit the sound amplification equipment so that it will not unreasonably disturb nonparticipating persons in, or in the vicinity of, the area of an event and/or so that it will not unreasonably interfere with the conduct of another event, or an outdoor business enterprise such as a sidewalk cafe, in the vicinity of the area. Sound levels unless otherwise waived or modified by the City Manager shall not exceed the following:

Event Location	Maximum Decibel Level
City Park	70 at property line
Downtown Mall	75 at a distance of 10 feet
Other location	70 at a distance of 10 feet

- b. No amplified sound shall be generated by or in connection with an event in the Pavilion after 10:00 p.m.
- c. No amplified sound shall be generated in or from the Pavilion area before 4:30 p.m. Monday through Friday; except that sound checks required for an event

scheduled to begin at 5:00 p.m. may be conducted any time after 4:00 p.m. Monday through Friday.

- d. For dates established by the City Manager Office as “Global Music Heritage Nights” there should be no restriction on acoustic, non-amplified music during the hours of 5:00 p.m. – 9:00 p.m.

**3.5.8. Sales or Distribution of Merchandise/Information.**

- a. When the sale or display of merchandise, or the distribution or display of educational, informational or other materials (including the distribution of non-commercial printed materials) is to be done in or upon City streets or parks with the aid of a table, stand or structure, no such table, stand or structure shall exceed 4 ft. x 4 ft. or 2 ft. x 8 ft.
- b. Whether or not a permit is required, the sale, display or distribution of merchandise or other materials, and the solicitation of contributions or donations, is prohibited in the following areas: (1) any location that would impede access to the entrance of any adjacent building or driveway; (2) any location such that the sale or distribution activity would occupy more than half the available sidewalk width, or four feet of sidewalk width, whichever is less; (3) within 10 feet of a fire hydrant, a public telephone, a fire escape, the driveway of a fire or police station, the driveway of any hospital, a bus stop or a loading zone; (4) within the portion of any street intended for the use of motor vehicles which has not been temporarily closed for or in connection with the demonstration or special event; (5) within any lanes adjacent to the Downtown Mall reserved for use by fire and emergency vehicles; (6) if done with the aid of a table, stand or structure: within any area reserved by a permit issued for an event, if the sponsor of the event has not consented to the presence of the table, stand or structure. All merchandise displays shall conform to the guidelines of the Board of Architectural Review as applicable.
- c. Persons or organizations engaged in the sale, display or distribution of written or printed materials, and/or the solicitation of donations or contributions, whether or not a permit is required, shall not obstruct or impede pedestrians or vehicles, harass park visitors or the attendees of any event with physical contact, misrepresent the purposes or affiliations of those engaged in the activity, or misrepresent whether written or printed materials being distributed are available without cost or donation.
- d. No sales or distribution activity may be conducted after 10:00 p.m., except that such activity shall be allowed past 10:00 p.m. in connection with a community event. (C.Ref. City Code 28-120).

**3.5.9. Food and Beverage Sales.** The sale or distribution of food and/or beverages as part of an event is allowed pursuant to a permit.

- a. All sales and/or other provision of food and/or beverages must be done in accordance with all licenses, permits and approvals (including, without limitation, those required by the Health Department, the Department of Alcoholic Beverage Control and the City’s Commissioner of Revenue) required by law. If

the sponsor cannot provide documentation to the City that all required licenses or permits have been obtained, that shall be grounds for denial or revocation of the permit for the event.

- b. The sponsor shall provide the City with a diagram identifying the size and location of any tables, stands, food trucks or mobile food units or other structures to be used for or in connection with the sale of food and beverages. There shall be no sales or distribution of food or beverages in any of the following locations: (1) any location that would impede access to the entrance of a building or driveway; (2) any location such that the sale or distribution activity would occupy more than half the available sidewalk width, or four feet of sidewalk width, whichever is less; (3) within 10 feet of a fire hydrant, a public telephone, a fire escape, the driveway of a fire or police station, the driveway of any hospital, a bus stop or a loading zone (unless the bus stop or loading zone is located in a street temporarily closed in connection with the event); (4) within the portion of any street intended for the use of motor vehicles which has not been temporarily closed for or in connection with the event; (5) within any lanes adjacent to the Downtown Mall reserved for use by fire and emergency vehicles.
- c. Any person selling or otherwise providing food and/or beverages during an event or community event, within an area reserved pursuant to the permit authorizing that event or community event, must do so with the consent of the sponsor and must have all licenses, permits and approvals required by law. The sponsor controls vendors only within the area designated for the event or community event.
- d. There shall be no sale or other provision of food or beverages at any event after 10:00 p.m.

3.5.10. **Signs and Banners.** The use of signs and banners in or upon the City's streets is prohibited, for or in connection with any event, except:

- a. Banners will be allowed pursuant to the regulations set forth at 10041 of the City's Standard Operating Procedures.
- b. Signs hand-carried by an individual are allowed up to 3 feet by 5 feet in size. If during an event signs, due to their size or collective use by persons, interfere with the public safety personnel's ability to conduct their duties, such signs can be restricted or banned from the event.
- c. Signs are allowed on or within any table, stand or other structure at which food, beverages or merchandise is being sold, or at which non-commercial printed material is being distributed, so long as that sign is no larger than two (2) square feet in area and contains no advertising or advertisement. (C.Ref. 28-122 City Code).
- d. Signs that are attached permanently, or semi-permanently, to stands or vehicles being used for or in connection with authorized recreational activities or events are allowed.

- e. No signs or placards shall be tied, fastened, or otherwise attached to or leaned against any City fences, lamp posts or other buildings or structures. No signs or placards shall be placed or set down on the center portion of any sidewalk. (C.Ref. 28-122: Signs on or within stands).

3.5.11. **Advertising.** Advertising/Advertisement (see definitions set forth in section 3.1.1) by the use of banners, billboards, signs, markers, audio devices, or any other means whatsoever is prohibited in or upon City streets and parks for or in connection with any event. (C.Ref. State Code 15.2-2013).

3.5.12. **Temporary Structures.** The erection, placement or use of structures of any kind is prohibited, except:

- a. In connection with permitted events, temporary structures may be permitted provided that notice to the City Manager is provided contemporaneously with the permit application. Examples of temporary structures that may be permitted are as follows: structures erected for the purpose of symbolizing a message, first aid facilities, lost child alerts, shelter for electrical or other sensitive equipment.
- b. Structures that are being hand-carried are allowed as part of a demonstration.
- c. Structures that are permitted pursuant to other sections of these regulations are allowed.
- d. When allowed: (1) structures are not permitted on sidewalk(s) unless they meet the size criteria described in section 3.5.8.a. of these regulations; (2) structures must be erected in such a manner so as not to unreasonably harm park or other public area resources and the sponsor of the event must agree to remove such structures as soon as practicable after the conclusion of the permitted demonstration or special event; (3) structures must be capable of being removed upon 24 hours' notice and without permanent damage to City lands (with the sponsor being responsible for any non-*de minimis* costs of remedying any damage arising out of such removal), and shall be secured in such a manner so as not to interfere unreasonably with use of any park area by other permittees authorized under his section; and (4) the Sponsor must comply with section 5-56 of the City Code. Tents are allowed in park areas.
- e. The City Manager may impose other restrictions upon the use of temporary structures in the interest of protecting park or other public areas and/or traffic and public safety considerations.
- f. No gasoline powered vehicles or horses will be allowed on the mall during any event or community event. Any "parade" on the Downtown Mall may use only electric vehicles if approved by the City Manager.

3.5.13. **Sanitation and Garbage.**

- a. Garbage, trash, rubbish, litter, or any other waste material or waste liquid generated on public property during an event shall be removed from the area by the sponsor of the event, or deposited by the sponsor in receptacles provided for that purpose. The improper disposal of such wastes is prohibited.

- b.
