MATTERS BY THE PUBLIC

*Action Needed

NOTE: Individuals with disabilities who require assistance or special arrangements to participate in the public meeting may call the ADA Coordinator at (434) 970-3182 or submit a request via email to ada@charlottesville.gov. The City of Charlottesville requests that you provide a 48 hour notice so that proper arrangements may be made.

APPROPRIATION
Charlottesville/Albemarle Adult Drug Treatment Court Grant Award
\$240,000

WHEREAS, the Supreme Court of Virginia awarded the Supreme Court of Virginia Drug Treatment Court Docket Grant in the amount of \$240,000 for the Charlottesville/Albemarle Drug Court Treatment Court in order to fund salaries, benefits, and operating expenses; and

WHEREAS, the City of Charlottesville serves as the fiscal agent for this grant program; and

WHEREAS, the City of Charlottesville and Albemarle County both have dedicated local matches to this grant, totaling \$124,725; and

WHEREAS, the grant award covers the period July 1, 2020 through June 30, 2021.

NOW, THEREFORE BE IT RESOLVED by the Council of the City of Charlottesville, Virginia, that the sum of \$240,000, received as a grant from the Supreme Court of Virginia, is hereby appropriated in the following manner:

Revenues

\$240,000 Fund: 209 Internal Order: 1900369 G/L Account: 430120

Expenditures

\$240,000 Fund: 209 Internal Order: 1900369 G/L Account: 530550

BE IT FURTHER RESOLVED, that this appropriation is conditioned upon the receipt of \$240,000 from the Supreme Court of Virginia.

APPROPRIATION
Virginia Housing Solutions Program Grant Award
\$539,333

WHEREAS, The City of Charlottesville, through the Department of Human Services, has received the V.H.S.P. Grant from the Virginia Department of Housing and Community Development in the amount of \$539,333.

NOW, THEREFORE BE IT RESOLVED by the Council of the City of Charlottesville, Virginia that the sum of \$539,333 is hereby appropriated in the following manner:

Revenues

\$455,982	Fund: 209	IO: 1900370	G/L: 430110 State Grant
\$83,218	Fund: 209	IO: 1900370	G/L: 430120 Federal Pass-Thru State

Expenditures

\$539,333	Fund: 209	IO: 1900370	G/L: 530550 Contracted Services
-----------	-----------	-------------	---------------------------------

BE IT FURTHER RESOLVED, that this appropriation is conditioned upon receipt of \$539,333 in funds from the Virginia Department of Housing and Community Development.

**A RESOLUTION
COUNCIL PRIORITIES
FOR CDBG and HOME FUNDS
FY 21-22**

WHEREAS, the City of Charlottesville is a U.S. Department of Housing and Urban Development (HUD) Entitlement Community for the Community Development Block Grant (CDBG) and HOME Investment Partnership (HOME) programs and as such expects to receive an award of funding July 1, 2021; and

WHEREAS, in accordance with the City of Charlottesville's Citizen Participation Plan for HUD funding, the CDBG Task Force composed of citizen and community representatives will need to review potential projects and make recommendations for funding in Spring 2021;

BE IT RESOLVED by the Council of the City of Charlottesville, Virginia that the priorities and spending allowances for FY 2021-2022 shall be as follows:

- Council's priorities for the CDBG and HOME program for FY 21-22 shall be access to affordable housing (including but not limited to low income housing redevelopment), workforce development (including but not limited to efforts to bolster Section 3 training opportunities and partnerships with the City's GO programs), microenterprise assistance, access to quality childcare, homeowner rehabilitation, and down payment assistance.
- For FY 21-22, \$61,249.28 CDBG entitlement shall be set aside for Economic Development
- For FY 21-22, \$61,249.28 CDBG entitlement shall be set aside for Housing Programs.
- For FY 21-22, the Priority Neighborhood shall be Ridge Street and the allocation shall be \$150,000 of the total CDBG entitlement. If the CDBG entitlement received is less than the estimate amount of \$150,000 this amount will be decreased accordingly.
- The CDBG Admin and Planning budget shall be set at 20% of the total CDBG entitlement.
- The Public Services budget shall be set at 15% of the total CDBG entitlement.

AN ORDINANCE TO PREVENT THE SPREAD OF THE NOVEL CORONAVIRUS, SARS-CoV-2, AND THE DISEASE IT CAUSES, COMMONLY REFERRED TO AS COVID-19

WHEREAS, on March 11, 2020, the World Health Organization declared the outbreak of the novel coronavirus, SARS-CoV-2, and the disease it causes, commonly referred to as COVID-19, a pandemic (for reference in this ordinance, this virus and the disease that it causes are referred to as “COVID-19”); and

WHEREAS, City Manager and Director of Emergency Management, Dr. Tarron J. Richardson, declared the potential spread of COVID-19 an emergency on March 12, 2020 pursuant to a Resolution adopted by the Charlottesville City Council; and

WHEREAS, also on March 12, 2020, Governor Ralph S. Northam issued Executive Order Number Fifty-One (“EO 51”) declaring a state of emergency for the Commonwealth of Virginia because of the COVID-19 pandemic; EO 51 acknowledged the existence of a public health emergency arising from the COVID-19 pandemic and that it constitutes a “disaster” as defined by Virginia Code § 44-146.16 because of the public health threat presented by a communicable disease anticipated to spread; and

WHEREAS, COVID-19 spreads person to person and, at this time, it appears that COVID-19 is spread primarily through respiratory droplets, which can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs; spread is more likely when people are in close contact with one another (within about six feet)ⁱ; and.

WHEREAS, COVID-19 is extremely easy to transmit, can be transmitted by infected people who show no symptoms, and the population has not developed herd immunityⁱⁱ; and

WHEREAS, at this time, there is no known cure, no effective treatment, no vaccine, and because people may be infected but asymptomatic, they may unwittingly infect othersⁱⁱⁱ; and

WHEREAS, the World Health Organization, the United States Centers for Disease Control and Prevention (“Centers for Disease Control”) and the Virginia Department of Health have identified several behaviors and practices that are fundamental in controlling the spread of COVID-19 in the community: frequently washing hands, sanitizing frequently touched surfaces, wearing a cloth face covering when in public, maintaining a separation of at least six feet between people (“social distancing” or “physical distancing”), limiting the size of gatherings in public places, and limiting the duration of gatherings^{iv}; and

WHEREAS, with respect to people wearing face coverings when in public, current evidence suggests that transmission of COVID-19 occurs primarily between people through direct, indirect, or close contact with infected people through infected secretions such as saliva and respiratory secretions, or through their respiratory droplets, which are expelled when an infected person coughs, sneezes, talks or sings; and some outbreak reports related to indoor crowded spaces have suggested the possibility of aerosol transmission, combined with droplet transmission, for example, during choir practice, in food establishments, or in fitness classes^v; and

WHEREAS, according to the World Health Organization, fabric face coverings, “if made and worn properly, can serve as a barrier to droplets expelled from the wearer into the air and environment,” however, these face coverings “must be used as part of a comprehensive package of preventive measures, which includes frequent hand hygiene, physical distancing when possible, respiratory etiquette, environmental cleaning and disinfection,” and recommended precautions also include “avoiding indoor crowded gatherings as much as possible, in particular when physical distancing is not feasible, and ensuring good environmental ventilation in any closed setting”^{vi}; and

WHEREAS, the World Health Organization advises that people take a number of precautions, including: (i) maintaining social distancing because when someone coughs, sneezes, or speaks they spray small liquid droplets from their nose or mouth which may contain virus, and if other persons are too close, they can breathe in the droplets, including the COVID-19 virus, if the person coughing, sneezing, or speaking has the disease; and (ii) avoiding crowded places because when people are in crowds, they are more likely to come into close contact with someone that has COVID-19 and it is more difficult to maintain social distancing^{vii}; and

WHEREAS, the Centers for Disease Control caution that: (i) the more people a person interacts with at a gathering and the longer that interaction lasts, the higher the potential risk of becoming infected with COVID-19 and COVID-19 spreading; (ii) the higher level of community transmission in the area that a gathering is being held, the higher the risk of COVID-19 spreading during the gathering; and (iii) large in-person gatherings where it is difficult for persons to remain spaced at least six feet apart and attendees travel from outside the local area pose the highest risk of COVID-19 spreading^{viii}; and

WHEREAS, the Centers for Disease Control state that cloth face coverings are strongly encouraged in settings where persons might raise their voice (*e.g.*, shouting, chanting, singing)^{ix}; and

WHEREAS, the Centers for Disease Control advise, in restaurants: (i) wearing cloth face coverings when less than six feet apart from other people or indoors; (ii) wearing face coverings as much as possible when not eating; (iii) maintaining a proper social distancing if persons are sitting with others who do not live with the person; and (iv) sitting outside when possible^x; and

WHEREAS, for these and related reasons, the Virginia Department of Health has stated that those businesses that operate indoors and at higher capacity, where physical distancing “recommendations” are not observed, sharing objects is permitted, and persons are not wearing cloth face coverings, create higher risk for the transmission of COVID-19^{xi}; and

WHEREAS, since Governor Northam issued EO 51 on March 13, 2020, he has issued several more Executive Orders jointly with Orders of Public Health Emergency issued by M. Norman Oliver, MD, MA, State Health Commissioner, pertaining to COVID-19; as of the date of adoption of this ordinance, “Executive Order Number Sixty-Seven (2020) and Order of Public Health Emergency Seven, Phase Three Easing of Certain Temporary Restrictions Due to Novel Coronavirus (COVID-19)” (collectively referred to as “EO 67”)^{xii}, which became effective at 12:00 a.m. on July 1, 2020, is in effect; and

WHEREAS, as of July 21, 2020, the spread of COVID-19 in the Commonwealth, in the Thomas Jefferson Health District of which the City is a member, and in the City itself, has been

increasing since late June, shortly before EO 67 moved the Commonwealth into “Phase 3” of its reopening plan, the curve in the positivity rate of persons tested for COVID-19 is no longer flattened, and the community is currently experiencing more transmission of COVID-19.

NOW, THEREFORE, BE IT ORDAINED by the Council of Charlottesville, Virginia, that:

Sec. 1. Purpose

For the reasons stated in the recitals, the purpose of this ordinance is to prevent the spread of COVID-19.

Sec. 2. Authority

This ordinance is authorized by §14 of the Charlottesville City Charter, which enables the City Council to enact ordinances to “prevent the introduction or spreading of contagious or infectious diseases, and prevent and suppress diseases generally.”

Sec. 3. Definitions

The following definitions apply to this ordinance:

- A. “Expressive activity” means a non-commercial activity in which a person intends to convey a lawful message through speech or conduct that is likely to be perceived by an observer of the speech or conduct, and includes any lawful public gathering, demonstration, procession, or parade in which the primary purpose is to exercise the rights of free speech or peaceable assembly.
- B. “Face covering” means an item normally made of cloth or various other materials with elastic bands or cloth ties to secure over the wearer’s nose and mouth in an effort to contain or reduce the spread of potentially infectious respiratory secretions at the source (*i.e.*, the person’s nose and mouth).
- C. “Food establishment” means a food establishment as defined in 12VAC5-421-10 and the term includes, but is not limited, any place where food is prepared for service to the public on or off the premises, or any place where food is served, including restaurants, lunchrooms, short order places, cafeterias, coffee shops, cafes, taverns, delicatessens, dining accommodations of public or private clubs. For purposes of this ordinance, “food establishment” does not include kitchen facilities of hospitals and nursing homes, dining accommodations of public and private schools and institutions of higher education, and kitchen areas of local correctional facilities subject to standards adopted under Virginia Code § 53.1-68.
- D. “Gathering” means a planned or spontaneous indoor or outdoor, or both, event with people participating or attending for a common purpose such as a community event, concert, festival, conference, parade, wedding, sporting event, party (including parties at private residences), celebration, and other social events. “Gathering” does not include a place of employment where persons are present to perform their functions of employment, events or activities on the grounds of an institution of higher education- or school-owned property that

are institution or school related, or persons engaging in religious exercise at their religious institution or other place of religious significance.

- E.. “Micro-producers” means the retail shop, bar, tasting room, tap-room, restaurant or other similar facility of a microbrewery, microwinery, or microdistillery, in which twenty-five (25) percent or more of the facility's production is sold directly to the consumer on-site.

- F. “Public place” means any place other than a person’s residence or personal vehicle that is indoors, or the indoor portion of the place, or outdoors where at least six feet of physical distancing between persons not living in the same household cannot be maintained, and generally open to the public including, but not limited to, retail stores, food establishments, theaters, personal care and personal grooming services, and transportation other than a personal vehicle. “Public place” does not include institutions of higher education and other schools, fitness and other exercise facilities, religious institutions, indoor shooting ranges, and the City courthouse buildings.

- G. “Small brewery” means the retail shop, bar, tasting room, tap-room, restaurant or other similar facility of the small brewery which sells directly to the consumer.

Sec. 4. Limitation on the Number of Persons at Food Establishments

- A. *Indoor occupancy.* Indoor occupancy at food establishments, micro-producers, and small breweries must not be more than 50 percent of the lowest occupancy load on the certificate of occupancy issued by the City of Charlottesville. If the building or structure does not have an occupancy load established on a certificate of occupancy issued by the City of Charlottesville, indoor occupancy must not be more than 50 persons.

- B. *Persons at gathering are counted.* Persons participating in or attending a gathering who are indoors count towards the occupancy limits established by this section.

- C. *Persons working not counted.* The employees or independent contractors of any food establishment, micro-producer, or small brewery do not count towards the occupancy limits established by this section.

- D. *State requirements, recommendations, and guidance.* Except as provided in Sections 4(A), (B), and (C), this section does not affect any requirement, recommendation, or guidance including, but not limited to, those requiring or recommending physical distancing that apply to food establishments, micro-producers, or small breweries established in EO 67, or as it may be further amended or superseded, any Order of Public Health Emergency, any workplace safety regulations, or any other state or federal laws related to the COVID-19 pandemic.

Sec. 5. Limitation of the Number of Attendees at Gatherings

- A. *Gatherings of more than 50 persons prohibited.* All public and private in-person gatherings of more than 50 persons are prohibited except as provided in Section 5(B).
- B. *Gatherings not subject to the 50-person limit.* Section 5(A) does not apply to the following gatherings and, instead, the maximum size for gatherings established in EO 67, or as it may be further amended or superseded, or any Order of Public Health Emergency, applies:
 - 1. Gatherings for religious exercise including, but not limited to, religious ceremonies.
 - 2. Wedding ceremonies and wedding receptions.
 - 3. Expressive activity on a public street, public sidewalk, spontaneous demonstrations as defined in the City Manager’s standard operating procedures for special events and demonstrations on city property and on other public property as permitted by a special event permit issued by the City Manager.
- C. *Persons working not counted.* Persons working at gatherings, either as employees or independent contractors, do not count towards the limit on the number of persons at a gathering.
- D. *State requirements, recommendations, and guidance.* Except as provided in Sections 5(A), (B), and (C), this Section does not affect any requirement, recommendation, or guidance including, but not limited to, those requiring or recommending physical distancing, that apply to gatherings established in EO 67, or as it may be further amended or superseded, any Order of Public Health Emergency, any workplace safety regulations, or any other State or federal laws related to the COVID-19 pandemic.

Sec. 6. Face Coverings

- A. *Face coverings required.* Face coverings must be worn by all persons in public places except as provided in Sections 6(B) and (C).
- B. *Persons not required to wear face coverings.* Face coverings are not required to be worn by the following persons:
 - 1. *Children.* Children 10 years of age and under.
 - 2. *Wearing face covering poses certain risks.* Persons for whom wearing a face covering poses a substantial mental or physical health, safety, or security risk such as persons who have trouble breathing or are unconscious, incapacitated, or otherwise unable to remove the face covering without assistance. For this exception to apply to any person claiming that wearing a face covering poses a substantial mental or physical health risk: (i) the person must present a valid document from a physician or other health care practitioner licensed, accredited, or certified to perform specified health care services, including mental health services, consistent with State law, specifying the medical necessity for not wearing a face covering and the date on which the person may begin wearing a face covering again; and (ii) the public place is unable to provide goods, services, or activities outdoors to the person or to the adult accompanying a child 10 years of age or under.

3. *Certain employees.* On-duty employees of the public place for which workplace safety regulations promulgated by the State Safety and Health Codes Board, or face covering rules established by an applicable Executive Order of the Governor or an Order of Public Health Emergency by the State Health Commissioner, apply.

C. *Circumstances when face coverings are not required to be worn by any persons.* Face coverings are not required to be worn by persons in the following circumstances:

1. *Outdoor activities.* While persons are engaged in outdoor activities in public places such as parks and other open spaces, provided that minimum physical distancing established by any applicable Executive Order of the Governor or Order of Public Health Emergency of the State Health Commissioner is maintained.

2. *Eating or drinking.* While a person is eating food or drinking a beverage.

3. *End of waiver of Virginia Code § 18.2-422.* When the waiver of Virginia Code § 18.2-422, currently established in EO 67, Section (C)(3), or as it may be further amended or superseded, ends.

D. *Responsibility of adults accompanying minors.* Adults accompanying minors between the ages of 10 years old and 17 years old must attempt to prompt the minor to wear face coverings while in public places.

Sec. 7. Effect of More Restrictive Executive Order or Order of Public Health Emergency

Sections 4, 5, or 6 do not apply when a more restrictive requirement in an Executive Order or an Order of Public Health Emergency is in effect.

Sec. 8. Penalties

A. *Penalty for violation of Section 4.* A violation of Section 4 by the owner of the food establishment, micro-producer, or small brewery and any manager or assistant manager, however titled, responsible for the operation and management of the food establishment, micro-producer, or small brewery, after first being warned by a law enforcement to lower the establishment's occupancy, is punishable as a Class 3 misdemeanor. Section 4(D) is not enforced pursuant to this ordinance.

B. *Penalty for violation of Section 5.* A violation of Section 5 by the owner or tenant of the private property on which the gathering is located, after first being warned by a law enforcement officer to disperse the gathering, is punishable as a Class 3 misdemeanor. A violation of Section 5 by any person attending the gathering, after first being warned by a law enforcement officer to disperse from the gathering because it exceeds the limitation for a gathering and having failed to disperse after a reasonable period of time not to exceed two minutes, is punishable as a Class 4 misdemeanor. Section 5(D) is not enforced pursuant to this ordinance.

C. *Penalty for violation of Section 6.* A violation of Section 6 by any person subject to its requirements, after first being warned by a law enforcement officer to apply a face covering,

is punishable as a Class 4 misdemeanor. No person under the age of 18 years old is subject to a criminal penalty for failing to wear a face covering.

D. *Injunctive relief.* The City, the City Council, and any City officer authorized by law, may seek to enjoin the continuing violation of any provision of this ordinance by bringing a proceeding for an injunction in any court of competent jurisdiction.

Sec 9. Duration

This ordinance reenactment is effective 12:00 a.m., September 30, 2020 and shall expire upon the cessation of the City's Declaration of Emergency of March 12, 2020, unless amended by the Charlottesville City Council.

Sec. 10. Effect of this Ordinance on the Powers of the Director of Emergency Management

This ordinance does not affect the powers of the City Manager, acting as the Director of Emergency Management, pursuant to Virginia Code § 44-146.21 during the COVID-19 disaster.

Sec. 11. Severability

It is the intention of the City Council that any part of this ordinance is severable. If any part is declared unconstitutional or invalid by the valid judgment or decree of a court of competent jurisdiction, the unconstitutionality or invalidity does not affect any other part of this ordinance.

Sec. 12. Waiver of Three Day Intervention

This ordinance is adopted with the vote of four-fifths of City Councilors on the date of its introduction. The requirement in Charlottesville City Code Section 2-97 that three days intervene between an ordinance's introduction and its passage is waived.

https://www.who.int/docs/default-source/coronaviruse/transcripts/covid-19-virtual-press-conference---17-july.pdf?sfvrsn=dd7f91a1_0 (“So it’s all about the setting, it is about the duration you spend in that setting and it’s about the intensity of the activities that you participate in in that setting and when you get into a particular setting, a very overcrowded situation in an indoor environment then effectively all bets are off because so many of the modes of transmission come into play; the aerosol route, the airborne route, the fomite or contamination route. So the more close you are to other people, the more you are inside, the more the activity is intense or involves very close social contact the more that multiple modes of transmission come into play. So in that sense it is about you understanding your risk, it is about you managing that risk and being aware of the situation that you find yourself in personally and reducing that risk for you, for your family, for your children and for your community. It is important, as I've said previously, that governments communicate those risks very, very carefully and it is also important that providers, authorities and others ensure that those environments are as safe as possible and that the risks are also managed.”)
