RESOLUTION

A RESOLUTION OF THE CHARLOTTESVILLE CITY COUNCIL APPROVING OF THE CITY'S PARTICIPATION IN THE PROPOSED SETTLEMENT OF OPIOID-RELATED CLAIMS AGAINST TEVA, ALLERGAN, WALMART, WALGREENS, CVS, AND THEIR RELATED CORPORATE ENTITIES, AND DIRECTING THE CITY MANAGER AND THE CITY ATTORNEY TO EXECUTE THE DOCUMENTS NECESSARY TO EFFECTUATE THE CITY'S PARTICIPATION IN THE SETTLEMENTS

WHEREAS, the opioid epidemic that has cost thousands of human lives across the country also impacts the Commonwealth of Virginia and its counties and cities, including the City of Charlottesville, by adversely impacting the delivery of emergency medical, law enforcement, criminal justice, mental health and substance abuse services, and other services by the City of Charlottesville's various departments and agencies; and

WHEREAS, the Commonwealth of Virginia and its counties and cities, including the City of Charlottesville, have been required and will continue to be required to allocate substantial taxpayer dollars, resources, staff energy and time to address the damage the opioid epidemic has caused and continues to cause the citizens of the Commonwealth and the City; and

WHEREAS, settlement proposals have been negotiated that will cause Teva, Allergan, Walmart, Walgreens, and CVS to pay billions of dollars nationwide to resolve opioid-related claims against them; and

WHEREAS, the City has approved and adopted the Virginia Opioid Abatement Fund and Settlement Allocation Memorandum of Understanding (the "Virginia MOU") by resolution dated December 6, 2021, and affirms that these pending settlements with Teva, Allergan, Walmart, CVS, and Walgreens shall be considered "Settlements" that are subject to the Virginia MOU, and shall be administered and allocated in the same manner as the opioid settlements entered into previously with opioid distributors McKesson, Cardinal Health, and AmerisourceBergen, and opioid manufacturer Janssen Pharmaceuticals;

WHEREAS, the City Manager's Office requests the authority to execute the attached Participation Agreement and to participate in the proposed settlements in order to recover the City's share of the funds that such settlement would provide; and

WHEREAS, the City Attorney's Office has reviewed the available information about the proposed settlements and the attached Participation Agreement and has approved such documents as to form and recommends that the City can participate in the settlements in order to recover its share of the funds that the settlement would provide.

NOW THEREFORE BE IT RESOLVED that the Charlottesville City Council, this 20th day of March, 2023, hereby authorizes the City Manager to execute the attached Participation Forms and approves of the City's participation in the proposed settlement of opioid-related claims against Teva, Allergan, Walmart, Walgreens, CVS, and their related corporate entities, and directs the City Manager and the City Attorney to execute the documents necessary

to effectuate the City's participation in the settlements, including the required release of claims against settling entities.

New National Opioids Settlements: Teva, Allergan, CVS, Walgreens, and Walmart
Opioids Implementation Administrator

Charlottesville city, VA
Reference Number: CL-393057

TO LOCAL POLITICAL SUBDIVISIONS AND SPECIAL DISTRICTS:

THIS PACKAGE CONTAINS DOCUMENTATION TO PARTICIPATE IN THE NEW NATIONAL OPIOID SETTLEMENTS. YOU MUST TAKE ACTION IN ORDER TO PARTICIPATE.

Deadline: April 18, 2023

Five new proposed national opioid settlements ("*New National Opioid Settlements*") have been reached with **Teva, Allergan, CVS, Walgreens, and Walmart** ("*Settling Defendants*"). This *Participation Package* is a follow-up communication to the *Notice of National Opioid Settlements* recently received electronically by your subdivision or special district ("*subdivision*").

You are receiving this *Participation Package* because Virginia is participating in the following settlements:

- **Teva**
- **Allergan**
- **CVS**
- **Walgreens**
- **Walmart**

If a state does not participate in a particular Settlement, the subdivisions in that state are not eligible to participate in that Settlement.

This electronic envelope contains:

- *Participation Forms* for Teva, Allergan, CVS, Walgreens, and Walmart, including a release of any claims.

The *Participation Form* for each settlement must be executed, without alteration, and submitted on or before April 18, 2023, in order for your subdivision to be considered for initial participation calculations and payment eligibility.

Based upon subdivision participation forms received on or before April 18th, the subdivision participation rate will be used to determine whether participation for each deal is sufficient for the settlement to move forward and whether a state earns its maximum potential payment under the settlement. If the settlement moves forward, your release will become effective. If a settlement does not move forward, that release will not become effective.

Any subdivision that does not participate cannot directly share in the settlement funds, even if the subdivision's state is settling and other participating subdivisions are sharing in settlement funds. Any subdivision that does not participate may also reduce the amount of money for programs to remediate the opioid crisis in its state. Please note, a subdivision will not necessarily directly receive settlement funds by participating; decisions on how settlement funds will be allocated within a state are subject to intrastate agreements or state statutes.

In Virginia, participating counties and independent cities may receive some of the settlement funds directly, pursuant to the allocation framework set forth in the Virginia Opioid Abatement Fund and Settlement Allocation Memorandum of Understanding ("MOU"), which has been previously approved by all Virginia counties and cities, and the Virginia Opioid Abatement Fund statute, Va. Code § 2.2-2374. In addition, some towns are being asked to approve the settlements and submit participation forms because, due to the structure of the settlement agreements, towns above a certain population threshold must approve the settlements and submit participation forms in order to maximize the overall recovery for the Commonwealth and its subdivisions. Participating towns are not eligible to receive direct shares from the settlement funds—however, they may be able to apply for, request, or receive funds for opioid abatement programs through their counties. Participation by these towns will help to maximize the recovery for all of Virginia's counties, including the counties in which they are located.

You are encouraged to discuss the terms and benefits of the *New National Opioid Settlements* with your counsel, your Attorney General's Office, and other contacts within your state. Many states are implementing and allocating funds for these new settlements the same as they did for the prior opioid settlements with McKesson, Cardinal, Amerisource, and J&J/Janssen, but states may choose to treat these settlements differently.

Information and documents regarding the *New National Opioid Settlements* and how they are being implemented in your state and how funds will be allocated within your state allocation can be found on the national settlement website at <https://nationalopioidsettlement.com/>. This website will be supplemented as additional documents are created.

How to return signed forms:

There are three methods for returning the executed *Participation Forms* and any supporting documentation to the Implementation Administrator:

- (1) *Electronic Signature via DocuSign*: Executing the *Participation Forms* electronically through DocuSign will return the signed forms to the Implementation Administrator and associate your forms with your subdivision's records. Electronic signature is the most efficient method for returning *Participation Forms*, allowing for more timely participation and the potential to meet higher settlement payment thresholds, and is therefore strongly encouraged.

- (2) *Manual Signature returned via DocuSign*: DocuSign allows forms to be downloaded, signed manually, then uploaded to DocuSign and returned automatically to the Implementation Administrator. Please be sure to complete all fields. As with electronic signature, returning manually signed *Participation Forms* via DocuSign will associate your signed forms with your subdivision's records.
- (3) *Manual Signature returned via electronic mail*: If your subdivision is unable to return executed *Participation Forms* using DocuSign, signed *Participation Forms* may be returned via electronic mail to opioidsparticipation@rubris.com. Please include the name, state, and reference ID of your subdivision in the body of the email and use the subject line Settlement Participation Forms - [Subdivision Name, Subdivision State] - [Reference ID].

Detailed instructions on how to sign and return the *Participation Forms*, including changing the authorized signer, can be found at <https://nationalopioidsettlement.com>. You may also contact opioidsparticipation@rubris.com.

The sign-on period for subdivisions ends on April 18, 2023.

If you have any questions about executing these forms, please contact your counsel, the Implementation Administrator at opioidsparticipation@rubris.com, or Tom Beshere at the Virginia Attorney General's Office at 804-823-6335 or tbeshere@oag.state.va.us.

Thank you,

National Opioids Settlements Implementation Administrator

The Implementation Administrator is retained to provide the settlement notice required by the respective settlement agreements referenced above and to manage the collection of settlement participation forms for each settlement.
