Barbara,

I hereby administratively approve your choice of "Mysterious Blue" to repaint the masonry and wood exterior of Warm Springs Gallery at 105 3<sup>rd</sup> Street NE.

The stained glass and the "barber pole" will remain in place.

Thank you and good luck!

Hello Mary Joy,

Well, I've finally made a decision . . . and this will surprise you. I've decided to paint the entire building a dark blue, Benjamin Moore's "Mysterious Blue." <http://www.benjaminmoore.com/en-ca/paint-color/mysterious>

I want the building to stand out from the others but I don't want to lose the sophistication.

Mary Leavell, my landlord, does not want me to remove the barber so . . . I will work with the barber pole and the stained glass. I will change the background of the hanging sign to match the new paint color but will probably use gold for the lettering. I will put up some flower baskets with bright flowers and add a temporary bench in front. Hope that's more inviting!

So what do I need to do next? Mary found me a painter so he's ready to go once you approve and I buy the paint!

Thanks Mary Joy.  
Barbara
