Charlottesville, Virginia. 22903

Dear Mr. Lassiter:

The other members of the Board of Architectural Review join me in thanking you for the withdrawal of your Application to enclose one of the side porches on the Day Treatment Center at 409 - 3rd Street, N. E. We appreciate your willingness to preserve the original symmetry of this lovely building, and we hope that by enclosing the existing back porch the needs of a growing ceramics program will still be satisfied.

Yours truly,

Ashlin Smith
Vice Chairman
Board of Architectural Review
