Miscellaneous descriptive information (plan, exterior and interior decoration, cornice/eave type, window type and trim, chimneys, additions, alterations)

This attractive house of handmade dark orange-red brick is largely unaltered. It retains its original pedimented front porch; its screened side porch with Chinese lattice rail, and oversize front dormer with casement windows. The roof is covered with sheetmetal, perhaps the original covering.

Historical information

Mrs. William Wood lived here and kept student boarders from 1916, when the house was built, until her death in the 1950s. This was one of if not the longest-established private boarding house in the university area.
