Mary,

This is the product. Let me know if this is sufficient. Thank you. Kelley

Attached is the spec sheet for Waterlox Products.

We will be utilizing the Marine Sealer in tandem with the Satin Sheen Finish.

They do not provide a guarantee on how long it will last, but the research is great and most people say 20+ years or even a lifetime. And, of course, Todd Leback highly recommends it and his work is stunning.

Warranty.

Waterlox Limited Warranty: If Waterlox Original Tung oil products are proved to be defective within one year of purchase, waterlox Coatings Corporation will replace the material or refund the purchase price. Manufacturer's liability does not include labor, any loss or consequential damages. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

Please let me know what other details the ARB might need and I will get them!

Best,
Amy
