Modi,

The table tops would need a finished surface. Raw or natural wood is not acceptable.

Thanks on the info for picnic tables. Very helpful. Question: can we have a wooden top and black legs and body?

I should have a potential sample from design hopefully in 24 hours.

Good afternoon,

Nice speaking with you earlier. I have discussed the request for picnic tables with Mary Joy Scala, Preservation and Design Planner/BAR Representative (copied). Black or silver picnic tables will be fine. Please be certain to submit photos for review and approval prior to purchase. Feel free to contact us with any additional questions or concerns.

Ms. Willingham,

Thank you for getting back to me so quickly. Staff has discussed your proposed thirty (30) day timeframe and will work with you on it. Regardless of approval or install of the new furniture the picnic tables will need to be removed by Friday, June 2nd. As discussed, please email suggested furnishing to Mary Joy Scala, Preservation and Design Planner, and myself for review.
