ACTION REQUIRED:

ENCLOSED DOCUMENTS:

Minutes of April 19, 2017 meeting.

**PARKS AND RECREATION ADVISORY BOARD**

**MINUTES**

***April 19, 2017***

The Parks and Recreation Advisory Board held a regular meeting on Wednesday, April 19, 2017 at 5:30 p.m. @ Carver Recreation Center. Members present were: Ruth Barnett, Elise Cruz, Llezelle Dugger, Anne Hemenway, David Hirschman, Marlene Jones and Jennifer Slack. Members absent: Ned Michie and John Santoski  
Staff: Brian Daly, Vic Garber, Doug Ehman

Guests: Lyle – attending meeting for AP government class; Gary – his driver

**Motion - Minutes – March 15, 2017**

- Ruth Barnett made a motion to approve the minutes of March 15, 2017, Llezelle Dugger second, motion was unanimously approved.

**Advisory Board Introductions**

- Introduced new board member, Marlene Jones - lives in Johnson Village neighborhood, works @ UVA

**Adjustment to Policy – Naming of Parks and Recreation Facilities**

- Brian Daly stated that City Council has taken action to rename Lee & Jackson parks, hire a design firm to remaster both parks. City Council will also make the decision to rename the parks.
- When the Naming of Parks and Recreation Facilities policy was made the Parks and Recreation Advisory Board was charged with naming facilities/parks. With all that is happening, thought it was logical to alter policy to rename facilities, and included in board package highlighted new proposed language to the policy.
- Anne Hemenway felt that it's still unclear as to what City Council wants to do. Bob Fenwick and other people have solicited names for the parks. Stated that she asked Bob Fenwick what the procedure was going to be, have also asked other members to address her concerns. Didn't understand why this would be a contest. Suggested rethinking the contest part. Feel that there is confusion about the renaming of the park process
- Brian Daly stated that there is a policy which is usually used for a new piece of property.
- Ruth Barnett felt that this could be a similar situation where the Advisory Board spends a lot of time on a project and City Council decides to do what they want
- David Hirschman stated that he thought City Council might want to name a public park, but that the Advisory Board could maintain naming facilities.
- Jennifer Slack stated that there is a clear authority that City Council has given to this Advisory Board to name facilities
- Brian Daly stated that the policy given out is the only document existing that he knows of. Previous naming of facilities was done by the Advisory Board and did not go to City Council
- Elise Cruz thought that City Council has given the Advisory Board the right to name facilities but wants the final say with Lee and Jackson Parks
- Ruth Barnett asked if this could be tabled until litigation has cleared
- Brian Daly stated that City Council was pretty clear that names would come to the Advisory Board and then forwarded to City Council
- Llezelle Dugger suggested to add to the policy "unless City Council or City Manager supplies written notice that they would like final say of naming of any parks/facilities"
- Llezelle Dugger suggested a paragraph break between the first two sentences of the revised policy

**Motion – Revising of Renaming of Parks/facilities Policy**

- Llezelle Dugger made a motion to approve the amended Revising of Naming of Parks and Recreation facilities as follows:
- To keep sentence (Final action on naming of parks and facilities shall be made in open session by the Parks and Recreation Advisory Board) and add an additional sentence as follows: (Unless City Council or City Manager supplies written notice that they would like final say of naming of a park or facility).

- Motion was second by Elise Cruz; Marlene Jones abstained from the vote, all other board members present voted for the motion.

CITY OF CHARLOTTESVILLE, VIRGINIA  
CITY MANAGER MEMO

**Agenda Date:** May 15, 2017

**TO:** Parks and Recreation Advisory Board  
Historic Resources Committee

**FROM:** Maurice Jones, City Manager  
Brian Daly, Parks and Recreation Director

**Action Required:** Approve Three Naming Options for Both Lee and Jackson Parks

**Background:**

City Council created the ad-hoc Blue Ribbon Commission on Race, Memorials and Public Spaces (BRC) on May 2, 2016 to address the questions and concerns brought before council regarding the statues of Robert E. Lee and Stonewall Jackson. Eleven commission members were appointed after an application process. They were charged with providing Council with options for telling the full story of Charlottesville's history of race relations and for changing the City's narrative through our public spaces. A final report was presented to Council on December 19, 2016. The Council reviewed the Commission's recommendations at its January 17, 2017 meeting.

On February 6, 2017 the City Council voted 3-2 to remove the Lee statue from Lee Park. In separate motions, the Council voted unanimously to rename both Lee and Jackson Park and to move forward with developing a Request for Proposal (RFP) for professional design services to create a Master Plan for the Historic North Downtown and Court Square Districts.

On April 17<sup>th</sup>, the Council voted to hold a naming contest for the two parks and asked the staff to forward the top ten appropriate suggestions to the Parks and Recreation Advisory Board and the Historic Resources Committee for each group's consideration. The charge for both boards is to provide the Council with three naming options for each park.

Attached are the top ten appropriate names for each park as collected by the City via the Charlottesville.org web site during a three week period of time. There were 1,382 suggested names for Lee Park and 1,355 names for Jackson Park. Over 1,100 submissions were received for both "Lee Park" and "Jackson Park". However, those names are not responsive to the request to provide "new" names for the parks.

The top ten subsequent appropriate suggestions for Lee Park are:

Monacan Park  
Sally Hemings Park  
Vinegar Hill Park  
Unity Park  
Freedom Park  
Library Park  
Market Street Park

There were several other appropriate submissions that received three votes each:

Progress Park  
Central Park  
Liberation Park  
Barbara Johns Park  
Barack Obama Park  
Julian Bond Park

For Jackson Park, the top appropriate suggestions were:

Court Square/Courthouse Park  
Sally Hemings Park  
13<sup>th</sup> Amendment Park  
Freedom Park  
McKee Park (The McKee property was the site upon which Jackson Park was built)  
Unity Park  
Justice Park

Numerous appropriate names received two submissions:

Monasukapanough Park (Monasukapanough was a Monacan Village near the Rivanna River)  
Sandra Lewis Park (Ms. Lewis was the first African-American woman to graduate from the University of Virginia)  
Barack Obama Park  
Frederick Douglass Park  
Memorial Park  
Harriet Tubman Park  
Progress Park  
Independence Park  
Transformation Park  
Abolition Park  
Liberty Park

The full list of the names submitted is attached. Some inappropriate remarks have been redacted.

Council has asked that the Parks and Recreation Advisory Board review the list of names at its May 17<sup>th</sup> meeting and that the Historic Resources Committee review the list and provide feedback via email. The top three naming options should be submitted to staff by May 25<sup>th</sup>. The Council will take up the issue of the renaming of the parks at its June 5<sup>th</sup>, 2017 meeting.
