Jim Tolbert noted the process for the Downtown Zoning request under review this evening. He advised that the public hearing be continued due to the many public comments received.

Discussion moved to process for the Mall crossing item. Mr. Lucy wanted to proceed with the hearing but was not sure it was ready for a formal vote.

Richard Harris clarified the procedure and clarified the decision points they had before them this evening.

Mr. Lucy noted that it was a long agenda and had asked Mr. Farruggio to assist in chairing a portion of the meeting.

Ms. Lewis voiced concern about discussions that some members had had on the mall crossing issue and felt that they should recuse themselves from the vote if they could not be partial to the issue. Discussion this issue continued until the end of the meeting.

The meeting ended at 4:27pm.
