

1101 Page Street

Significance: Low

Date of Construction: 2004

Architect: Unknown

Parcel ID: 040265000

Original Owner: Page Street LLC

Builder: Unknown

Building History:

This two-bay, two-story, frame house with hardy plank siding was built in 2004. There is a full raised basement level. The dwelling has a front-facing gable, asphalt shingle roof. Across the façade is a two-bay, hipped roof porch raised a full story with a wood floor and stairs, and turned wood posts. The front-facing windows are 1/1 vinyl sash paired and single. The front of the lot has a concrete walkway leading from the sidewalk to the porch stair. The front yard is filled with shrubbery and there is a rear deck and a rear paved parking pad facing 11th Street.

Statement of Significance:

This house is not yet fifty years old.
