You have BAR approval to use the [horizontal](#) railing 'B' design dated July 22, 2015 in all the locations on the podium level and lower (not the building balconies). Thank you.

Mary Joy

Thank you. Please let me know if you need anything further on this.

I will consider this closed and we will move forward with horizontal steel railings.

I immediately received 6 yes votes for horizontal railings. That's an approval.
