☒ apartment building
☐ gas station

☐ government
☐ commercial (office)
☐ commercial (store)
☐ railroad

☐ industrial
☐ school
☐ church
☐ _____

Type/period Vernacular Date c. 1920s Architect/builder

Location and description of entrance

Miscellaneous descriptive information (plan, exterior and interior decoration, cornice/eave type, window type and trim, chimneys, additions, alterations)

This house is considerably larger than it seems from the street, being entered at grade at the W side and rear. The gable endfaces to the front, unlike neighboring houses on the street, and there is a separate apartment entry at the lower level, W side.
