Bill,

The concrete curbing sample you provided is hereby approved.  
In the attached photo it is the sample closest to the camera, which is a warm color with smooth finish.  
Thank you.

Thank you for letting me know you have a curb sample for the BAR to review.  
Why don't you suggest a couple times this week and the BAR members can let me know who wants to go look.

Mary Joy and Laura,

We've been able to obtain a new curbing sample sans the rough finishes seen on the earlier examples. I apologize for the delay; as both Robby and I am doing this on a volunteer basis and we experienced some miscommunications on our end as to how to accomplish the needed result. Please let me know when you would like to review the new curbing sample with me.

Thanks,

**Bill**
