Kai, the Benjamin Moore color Claret Rose 2008-20 will be fine to paint the three awnings on the Shenanigans building.

I already went by and it's fine to paint all three canopies. I would like to see the color chip first, to OK the color, if anyone is coming by City Hall.

Hi Mary Joy,  
Allan has signed off on a new paint color for our over-door metal canopies. We agreed that I would contact you to get approval.  
The color is similar, but slightly deeper than the orange used by Folly on the 6<sup>th</sup> Street side of the building (photo attached.)  
We would use the same color on all three canopies.  
How should I get the color sample to you?  
Thanks,  
Kai
