The meeting was called to order at 5:00pm.

The meeting began with an overview of the evenings Planning Commission agenda and questions from Planning Commission members. Staff explained the process for each of the agenda items.

There was a brief discussion on the draft code of conduct forwarded to Planning Commissioners. It was noted that this should be scheduled for the next work session and that an electronic copy be forwarded to members so they can make any suggestions prior to the next meeting.

The meeting ended at 6:18pm.
