The meeting was called to order at 5:00pm.

The meeting began with a review of the Community Characteristic Chapter of the Comprehensive Plan. The group went page by page and highlighted any concerns. Staff will make those changes and forward the document for a final review. The public hearing for the Comprehensive Plan will be scheduled for July 10, 2007.

This was followed by a brief discussion of the Interchange. It was noted that the name of this project was the Route 250 Interchange at McIntire. Mr. Tolbert provided an overview of the presentation to occur prior to the public hearing. It was noted that City Council will hold a hearing in July on different aspects of this project.

The meeting ended at 6:20pm.
