ACTION ITEMS

12. Board of Architectural Review APPEAL: Denial of Demolition Certificate of Appropriateness for 144 Chancellor Street Contributing Structure

Councilor Snook disclosed his position as a Trustee at St. Paul's Church, though he can participate in the decision on this item.

Jeffrey Werner, staff for the Board of Architectural Review (BAR), summarized the request that was denied by the BAR. The property owner of 144 Chancellor Street ("Appellant") has appealed the BAR's January 22, 2025, denial of a Certificate of Appropriateness ("CoA") to allow demolition of an approximately 20-ft x 56-ft, single-story, wood-framed structure, constructed circa 1905 as schoolhouse ("Structure"), within the 10-day period proscribed by City Code Chapter 34, Section 5.2.7.E. This structure was designated by City Council a "contributing structure" within The Corner Architectural Design Control District. Per City Code Chapter 34, Section 5.2.7.A.1.c., the demolition of a "contributing" structure requires approval of a CoA.

City staff recommended City Council render a final decision, by Resolution, to deny a CoA to allow demolition of the Structure.

Kevin Blair/Blair Company ("Applicant"), on behalf of Delta Zeta National Housing Corp., expressed dissent about several comments made at the January 2025 BAR meeting regarding intentions for demolition of the property. He asked Council to grant permission for demolition and removal of the building because of unsafe conditions.

David Timmerman, BAR Vice Chair (Chairperson on the night of the BAR decision), explained the BAR decision, recommending that the house remain intact. He noted the historic value of the building as the last-remaining one-room schoolhouse in the city and its link to other historic structures in the neighborhood. He read a passage from the guidelines used for considering demolition, and stated that the house is not beyond repair.

On motion by Councilor Snook, seconded by Oschrein, Council adopted a resolution to approve a Certificate of Appropriateness for demolition of the structure at 144 Chancellor Street, overturning the BAR denial. 3-1 (Ayes: Oschrein, Pinkston, Snook; Noes: Payne; Absent: Wade).

**RESOLUTION OF APPROVAL OF A CERTIFICATE OF APPROPRIATENESS FOR
DEMOLITION OF THE STRUCTURE AT 144 CHANCELLOR STREET**

WHEREAS, on January 22, 2025, Kevin Blair/Blair Company (“Applicant”), on behalf of Delta Zeta National Housing Corp., the owner of certain land identified within City of Charlottesville, Virginia (“City”), real estate assessment records by Parcel Identification numbers 090109000 and currently addressed as 144 Chancellor Street (“Property”), requested a Certificate of Appropriateness (“CoA”) for the demolition of the existing, single-story, framed, former schoolhouse (“Structure”) on the Property (“Requested CoA”); and

WHEREAS, per City Code Chapter 34, Section 2.9.2.B.6., in 2003, the City established The Corner Architectural Design Control District (“ADC District”); and

WHEREAS, the Property is within the ADC District, and the Structure is designated a “contributing structure” within the ADC District; therefore, per City Code Chapter 34, Section 5.2.7.A.1.c., its demolition is subject to review by the City’s Board of Architectural Review (“BAR”) and requires approval of a CoA; and

WHEREAS, on January 22, 2025, in a Motion approved 6-0, BAR denied the Requested CoA, stating it had “considered the standards set forth within the City Code, including the ADC District Design Guidelines” and “the proposed demolition of 144 Chancellor Street [BAR #HST 25-0055] does not satisfy the BAR’s criteria and its guidelines and is not compatible with this property and other properties in The Corner ADC District,” and in its discussion and Motion, stating the reasons for denial; and

WHEREAS, on February 5, 2025, as permitted by City Code Chapter 34, Section 5.2.7.E.1.b. and c., the Applicant appealed to the City Council of the City of Charlottesville, Virginia (“City Council”), the BAR’s denial of the Requested CoA (“Appeal”); and

WHEREAS, on April 21, 2025, per City Code Chapter 34, Section 5.2.7.E.1.d., following a review of the Appeal, the Project, and the Application, and having considered relevant information and opinions, including the BAR’s determination, the City Staff Report, the City’s ADC District Design Guidelines, and the City’s standards for demolitions of contributing structures within ADC Districts (City Code Chapter 34, Section 5.2.7.D.1.b.), this City Council determines the requested demolition of the Structure at the Property satisfies the design guidelines and review criteria, and is compatible with this Property.

NOW, THEREFORE, BE IT RESOLVED by City Council that, pursuant to the conditions below, a CoA is hereby approved for the requested demolition of the Structure at the Property, expressly conditioned upon the occurrence of the following before issuance of a Demolition Permit:

- (1) Building will be documented thoroughly through photographs and measured drawings according to the Historic American Building Standards, information should be retained by the City’s Department of Neighborhood Development Services and Virginia Department of Historic Resources.

18. RESOLUTION to adopt a lease agreement with the Dogwood Vietnam Memorial Foundation for maintenance and operation of the memorial area at McIntire Park

Riaan Anthony, Director of Parks and Recreation, presented the request for approval of an updated lease agreement between the City of Charlottesville and The Dogwood Vietnam Memorial Foundation, Inc.

Councilor Oschrein asked for clarification about wording in the resolution regarding pedestrian bridge access, and potentially moving the memorial to be closer to existing bridge access.

Steve Friedman, Dogwood Memorial Foundation, stated that he thought the pedestrian bridge in the proposed agreement was referring to a new pedestrian bridge, while city staff interpreted the pedestrian bridge wording as existing pedestrian bridge access. Mr. Friedman also expressed that there is no desire to move the site of the Memorial, as it is in its original location, which is historic.

On motion by Pinkston, seconded by Snook, Council approved the resolution by a vote of 4-0: (Ayes: Oschrein, Payne, Pinkston, Snook; Noes: none; Absent: Wade).

Antoine Williams, Housing Program Manager, presented the item as Part Two of an emergency grant to support the Blue Ridge Area Coalition for the Homeless (BRACH) for funding to replace a lost grant. This funding would ensure that BRACH, the lead Continuum of Care agency in the City's region, can continue its operations uninterrupted. Due to the potential for interrupted service, this funding request is deemed an emergency. On motion by Pinkston, seconded by Snook, Council approved the resolution by a vote of 4-0: (Ayes: Oschrein, Payne, Pinkston, Snook; Noes: none; Absent: Wade).

On motion by Pinkston, seconded by Snook, Council approved the Confidential Settlement Agreement by a vote of 4-0: (Ayes: Oschrin, Payne, Pinkston, Snook; Noes: none; Absent: Wade).

7. Resolution to appropriate \$150,000 from the Virginia Department of Criminal Justice Services Operation Ceasefire Grant Program (laid over to May 19)

This item was moved from the consent agenda for discussion.

The Virginia Department of Criminal Justice Services awarded a grant to the Charlottesville Police Department (CPD) through the Operation Ceasefire Grant Program: Forensic and Analytical Technology for Local Law Enforcement to procure and deploy Peregrine's Ascent and Legacy Data packages for one year.

Police Chief Michael Kochis, explained the necessity for the technology and why CPD applied for the grant, stating that the technology would allow for more accurate searching for police and incident data, as well as integrate existing data systems. Regarding privacy concerns, he stated that the program is a secure system and CJIS compliant, meaning that it adheres to the security standards set by the FBI's Criminal Justice Information Services (CJIS) Division, and is used only for criminal justice purposes. He stated that the

Executive Director of the Police Civilian Oversight Board would also have access to the system.

Councilor Oschrein asked about competitive systems and security features.

Council agreed to lay this item over to the May 19 Action Agenda, seeking more information about data security. Council agreed to follow up with the City Manager and Chief Kochis with questions prior to the next City Council meeting.

COMMUNITY MATTERS (2)

Vice Mayor Pinkston opened the floor for comments from the public.

- Mo Van de Sompel asked to have the City Attorney review privacy rights related to the technology system requested in Item #7. He expressed concerns about Paragren's potential usage of the data, and about their uses of Artificial Intelligence.

In response to Mr. Van de Sompel's comments, Councilor Payne mentioned the potential for monetization of data.

On motion by Snook, seconded by Oschrein, Council voted unanimously to adjourn the meeting at 9:15 p.m.
