**A. Certificate of Appropriateness Applications**

1. BAR 96-02-502                      201 East High Street  
Tree Removal  
Mr. Ted Oakey, Applicant

Mr. Boger said staff visited the property and feels that this tree should be pruned back instead of removing it. Mr. Oakey was present and explained the reason for removing the tree. This tree was causing structural damage to the building and blocking light into the second floor show room. After a brief discussion the Board voted to approve the removal of the tree with the condition that a street tree, acceptable to the City be planted in the glass area in front of the building next to the street.

2. BAR 96-93-507                      Amphiteater
