**RE: Informational Meeting
10th and Page Neighborhood Historic Survey**

Dear residents and property owners of the 10th and Page Neighborhood:

The City of Charlottesville Department of Neighborhood Development Services has contracted with a consultant to have a historic survey of the 10th and Page Neighborhood conducted. A map of the survey area is attached. The purpose of the historic survey is to document all the historic buildings in this neighborhood with exterior photographs and written descriptions. In addition, a Preliminary Information Form (PIF) will be prepared and submitted to the Virginia Department of Historic Resources, which summarizes the historical significance of the area.

This letter is to inform you that an informational neighborhood meeting will be held with the consultant, The 106 Group, Ltd., including Erin Que, a historian that will be conducting the survey later that week. Representatives of the Virginia Department of Historic Resources will also attend. I invite you to attend this meeting that is being held to further inform you about the proposed historic survey, and to provide an opportunity for you to ask questions and discuss the project.

The meeting will take place on **Wednesday November 6, 2019 from 5:00 PM to 6:00 PM** in Classroom A of the Jefferson School, 233 4th Street NW. Please come out on the 6th and encourage your neighbors to join you. Your participation and input is very important. I look forward to meeting you and moving forward in this effort to raise awareness and understanding of the 10th and Page Neighborhood's history.

If you have questions or need more information, please contact me by phone at 434-970-3130, or by email at wernerjb@charlottesville.org.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Jeff Werner".

Jeff Werner, AICP
Preservation and Design Planner
